**After Divorce, Billionaire Ex Found Me Pregnant** Khira, 2024-11-05 Gabriel Bryce how can you stand being so shameless Leonica asked staring daggers at her atrocious husband and his mistress This is the house gifted to my by grandmother yet you dare bring another woman into it Aren't you afraid that grandmother would be disappointed with your actions Leonica's words remained unfinished as an enraged Gabriel swung his hand through the air smacking his palm clean on her left cheek Leonica held her throbbing cheek eyes wide and teary as she stared at her husband who glared down at her ferociously The nerves of you to mention my grandmother You have no right to do so He spat taking a step forward and jabbing his index finger painfully into her shoulder making her take several steps back Bare this in mind Leonica Romero if not for the wishes of my late grandmother I'd much rather be dead than associate myself with somebody like you Leonica Romero has always had a long time crush on Gabriel Bryce CEO of Bryce Empire and Norway's Business tyrant Fortunately at the request of his ill grandmother her family's long time friend Leonica gets the chance to marry her beloved Feeling elated she abandoned her position and dream job in the Romero household and becomes a humble housewife for Gabriel However Three years later on the day of Gabriel's grandmother's funeral Leonica is stunned speechless when he demands for a divorce as his ex-girlfriend Angelina Fernandez had suddenly returned proclaiming her undying love for him But that wasn't the only shock Leonica received that day Hours after Gabriel's declaration for a divorce Leonica wakes up in the hospital to a shocking news She was two months pregnant And Gabriel knew nothing about this

**Contracted By The Billionaire After Betrayal** Rukky, 2025-09-07 Don't you want your fianc to pay back for what he did to you I'm willing to be your contracted wife on one condition You have to help me find out the reason behind my mother's sudden death Looking at the mischievous way she waved the papers his lips curled into a smirk Deal Betrayed by her fianc and stepsister on the eve of her wedding Lina's world crumbled in an instant The heartbreak cut deeper than the night she was drugged and unknowingly lost her innocence to a stranger Vowing to make her cunning stepsister and unfaithful fianc pay a hundredfold Lina's path to revenge takes an unexpected turn when the very stranger she once spent a blissful night with appears at her door with a marriage contract in hand Unaware that he is the man from that

fateful night Lina agrees to the contract for her own reasons But as secrets unravel and passions ignite questions linger Will she find out he was the one she had that blissful one night stand with Will she fall in love with him after being betrayed Will she be able to get her revenge on those that betrayed her      *After She's Gone* Sheryl Browne, 2017-02-21 A detective faces off against a man without conscience in this psychological thriller the first in the British police procedural series There s evil and then there s Patrick Sullivan There are no depths to which this drug dealer pimp and murderer won t sink and Detective Inspector Matthew Adams knows all too well what such a monster can do After all he s known Patrick since they were children when their mutual animosity was born When Patrick s brother is shot dead in a drug bust led by Matthew the bitter battle between the two men intensifies and Matthew finds it increasingly difficult to hold the moral high ground But being at war with such a depraved individual means that it s not just Matthew who s in danger For even though Patrick has taken a lot from Matthew he hasn t taken everything And now he wants everything      **Suicide as a Dramatic Performance** David Lester, Steven Stack, 2015-09-30 Each suicide is as unique as the individuals involved especially if one examines the nature of the act and to what extent these acts can be viewed as a theatrical performance Focusing on the dramatic aspects of suicide may seem tangential to the physical and mental pain experienced by those who try to kill themselves but dramatic aspects often provide important clues for understanding the mental state of suicidal individuals David Lester and Steven Stack investigate what happens in the weeks days and hours before a suicide when the suicidal individual must make decisions and formulate the script for his or her suicidal act The editors argue that these choices may help us understand and prevent other suicides and stimulate new and innovative research in this important area Through twenty five substantive chapters including both quantitative and qualitative analyses this book offers insights into suicide as a dramatic act with chapters on the intended audience the suicide note the location and method chosen and cultural scripts including suicide by cop sati seppuku and duels The contributors to this volume argue that psychological social and cultural factors influence these choices and that the decisions made by the individual are important for understanding the mental state of the person choosing to die by suicide      **The Argosy** Mrs. Henry Wood, Charles William Wood, 1892 A magazine of tales travels essays and poems      **Handbook of Family Resilience** Dorothy S. Becvar, 2012-08-24 Resilience is a topic that is currently receiving increased attention In general resilience refers to the capacity of those who even under the most stressful circumstances are able to cope to rebound and to go on and thrive Resilient families are able to regain their balance following crises that arise as a function of either nature or nurture and to continue to encourage and support their members as they deal with the necessary requirements for accommodation adaptation and ultimately healthy survival Handbook of Family Resilience provides a broad body of knowledge regarding the traits and patterns found to characterize resilient individuals and well functioning families including those with diverse structures various ethnic backgrounds and a variety of non traditional forms This Handbook brings together a variety of perspectives aimed at understanding and helping to
