

DISMANTLING AGEISM:

ANY JUDGMENT ABOUT A PERSON or A GROUP of PEOPLE BASED on HOW OLD WE THINK THEY ARE...

THERE IS SO MUCH **STIGMA** AROUND AGING.

WHICH IS REALLY JUST LIVING...

"IT IS SAD **YES** TO BE OLD."

"TO AGE = TO LOSE ONE'S VALUE AS A HUMAN BEING."

MANY OLDER PEOPLE REFUSE HELP they NEED out of SHAME.

THIS PREJUDICE ISN'T ABOUT BIOLOGY, IT IS ABOUT **POWER**.

YES, WE ARE ALL **AGEIST**.

IT IS NOT TIME THAT MAKES GETTING OLDER DIFFICULT IT IS OUR AGEISM.

AGING IS A POWERFUL HUMAN EXPERIENCE

NO THANKS TO A MULTI-BILLION DOLLAR "ANTI-AGING" INDUSTRY

WE ARE COMPLICIT IN IT...

AGEISM DEVALUES EVERYONE BUT WOMEN

IN PARTICULAR WHEN VALUE IS BASED on APPEARING YOUNG.

CULTURAL Aging IMPACTS OUR FRIENDS & BODIES at the CELLULAR LEVEL

AGEISM MAKES NORMAL TRANSITIONS FEEL SHAMEFUL

PEOPLE with POSITIVE VIEWS on AGING LIVE LONGER. RESEARCH SHOWS...

Ageism and Mistreatment of Older Workers Patricia Brownell,James J. Kelly,2012-12-11 This book promotes an understanding of ageism discrimination and mistreatment of older adult workers incorporating an international human rights perspective The impact of ageism on the mistreatment of older adult workers has not to date been examined in depth through the lens of international human rights instruments nor has discrimination against older adults in the workplace been framed as a form of elder abuse for research and policy making purposes This book presents a multi disciplinary exploration of these themes as they affect work and retirement of older adults It reflects the view that older people who choose to work into old age should be able to do so in enabling work environments that promote dignity and are free of abuse The contributing authors come from many disciplines including law psychology social work business and international affairs Many are members of the International Network for the Prevention of Elder Abuse INPEA a non governmental organization with consultative status at the United Nations and have devoted their professional careers to increase awareness and understanding of elder abuse in order to prevent it The editors hope that broadening the framework within which elder abuse in the workplace is understood will stimulate further research policy and program development to address this troubling social problem *Look Me in the Eye* Barbara Macdonald,Cynthia Rich,2001 This classic book deals with ageism feminism

lesbian relationships and how society treats them It combines personal experience of ageing with groundbreaking feminist theory This new expanded edition includes a tribute to Barbara Macdonald by Lise Weil Barbara died at the age of 86 in June 2000 and LOOK ME IN THE EYE shows the impact her work has had on understanding women and ageing *Ageism, second edition* Todd D. Nelson, 2017-05-12 Current research and theory from a range of disciplines on ageism discussing issues from elder abuse to age discrimination against workers revised and updated People commonly use age to categorize and stereotype others even though those who stereotype the elderly are eventually bound to become elderly themselves Ageism is found cross culturally but it is especially prevalent in the United States where most people regard growing older with depression fear and anxiety Older people in the United States are stigmatized and marginalized with often devastating consequences This volume collects the latest theory and research on prejudice against older people offering perspectives from psychology nursing medicine social work and other fields The second edition has been completely updated with new or extensively revised contributions The contributors all experts in their fields consider issues that range from elder abuse to age discrimination against workers There has been a relative dearth of research on ageism perhaps because age prejudice is still considered socially acceptable This book is still the only one that examines ageism in such detail from such diverse scholarly perspectives The contributors discuss the origins and effects of ageism and offer suggestions for how to reduce ageism as the wave of baby boomers heads for old age Contributors Yoav S Bergman Ehud Bodner Jennifer Barbour Piers Bayl Smith Daphne Blunt Bugental Maria Clara P de Paula Couto Susan T Fiske Jeff Greenberg Barbara Griffin Jessica A Hehman Peter Helm Sarah H Kagan Molly Maxfield Lynn McDonald Mary Chase Mize Joann M Montepare Todd D Nelson Michael S North Amanda Rumsey Jeff Schimel Laura Shannonhouse Dirk Wentura Susan Krauss Whitbourne **Global report on ageism**, 2021-03-18 *Contemporary Perspectives on Ageism* Liat Ayalon, Clemens Tesch-Römer, 2018-05-22 This open access book provides a comprehensive perspective on the concept of ageism its origins the manifestation and consequences of ageism as well as ways to respond to and research ageism The book represents a collaborative effort of researchers from over 20 countries and a variety of disciplines including psychology sociology gerontology geriatrics pharmacology law geography design engineering policy and media studies The contributors have collaborated to produce a truly stimulating and educating book on ageism which brings a clear overview of the state of the art in the field The book serves as a catalyst to generate research policy and public interest in the field of ageism and to reconstruct the image of old age and will be of interest to researchers and students in gerontology and geriatrics *Ending Ageism, or How Not to Shoot Old People* Margaret Morganroth Gullette, 2017-08-23 Winner of the MLA Prize for Independent Scholars and the APA s Florence L Denmark Award for Contributions to Women and Aging When the term ageism was coined in 1969 many problems of exclusion seemed resolved by government programs like Social Security and Medicare As people live longer lives today s great demotions of older people cut deeper into their self worth and human relations beyond the reach of law or public policy

In *Ending Ageism or How Not to Shoot Old People* award winning writer and cultural critic Margaret Morganroth Gullette confronts the offenders the ways people aging past midlife are portrayed in the media by adult offspring the esthetics and politics of representation in photography film and theater and the incitement to commit suicide for those with early signs of dementia In this original and important book Gullette presents evidence of pervasive age related assaults in contemporary societies and their chronic affects The sudden onset of age related shaming can occur anywhere the shove in the street the cold shoulder at the party the deaf ear at the meeting the shut out by the personnel office or the obtuseness of a government Turning intimate suffering into public grievances *Ending Ageism Or How Not to Shoot Old People* effectively and beautifully argues that overcoming ageism is the next imperative social movement of our time About the cover image This elegant dignified figure Leda Machado a Cuban old enough to have seen the Revolution once the center of a vast photo mural is now a fragment on a ruined wall Ageism tears down the structures that all humans need to age well to end it a symbol of resilience offers us all brisk blue sky energy Leda Antonia Machado from *Wrinkles of the City* 2012 Piotr Trybalski Trybalski.com Courtesy of the artist A Declaration of Grievances A Declaration of Grievances was written by Margaret Morganroth Gullette and is excerpted from her book *Ending Ageism or How Not to Shoot Old People* 2017 Rutgers University Press The poster was designed by Carolyn Kerchof A Declaration of Grievances in English https://d3tto5i5w9ogdd.cloudfront.net/wp-content/uploads/2023/01/15175130_A_Declaration_of_Grievances_Eng.pdf A Declaration of Grievances in Spanish https://d3tto5i5w9ogdd.cloudfront.net/wp-content/uploads/2023/01/15175131_A_Declaration_of_Grievances_Spanish.pdf A Declaration of Grievances in French https://d3tto5i5w9ogdd.cloudfront.net/wp-content/uploads/2023/01/15175130_A_Declaration_of_Grievances_French.pdf A Declaration of Grievances in German https://d3tto5i5w9ogdd.cloudfront.net/wp-content/uploads/2023/01/15175131_A_Declaration_of_Grievances_German.pdf Print the PDF make sure to click fit to page and hang the Declaration up in your home or place of work Please share this link with other people you know who care about the rights of older persons Share on social media with the hashtags #ADeclarationOfGrievances and #EndingAgeismGullette For more information an excerpt links to reviews and special offers on this book go to <https://www.rutgersuniversitypress.org/ending-ageism> Related website <https://www.brandeis.edu/wsrc/scholars/profiles/gullette.html> [Aging and Age Discrimination in Europe](#) Nesrin Oruç Ertürk, Ayşe Karaçizmeli, 2022 The attitudes of societies towards ageism in an aging Europe have now become a social phenomenon This study which examines and deals with this phenomenon in various European countries provides an opportunity to analyze the dimensions of ageism in different contexts Based on these analyses the exposure levels of older individuals to ageism in aging societies and the discriminatory attitudes of younger generations have been revealed The book aims to make contributions to the field of ageism in European countries and contains a brief literature review on ageism and descriptive analyses in country context As part of the project the project WISELIFE Raising Awareness About Ageism funded by EU ERASMUS this book investigates the concept of ageism in Turkey

Hungary Poland and Italy It is an essential resource for institutions working with older people non governmental organizations academic circles dealing with age discrimination and organizations such as the continuing education centers and lifelong learning centers providing education for older people to understand age discrimination and the situation of this concept in Europe Ageism and Person-Centred Care Stephen Buetow, 2024-10-14 This thought provoking book exposes the values judgements and hierarchies that underlie ageism in care settings Destabilizing the assumption that biases like ageism are always bad Buetow suggests that ageism is normatively neutral and that truly person centred care requires situated acknowledgement of and responsiveness to its negative and positive aspects Buetow contends that respecting meaningful age differences between persons as moral agents puts ageism on the radar of care environments weakening barriers to engagement His analysis moves from concern for age friendliness to prudent ageism that enables person centred care to apply practical wisdom in everyday age sensitive judgement and decision making Challenging political correctness and advocating for justice rather than social justice Buetow discusses how prudent ageism may advantage some age groups over others in particular circumstances while providing a moral structure for managing real rather than socially constructed differences Looking at how age sensitive judgments combined with a person first approach can inform research policy and practice this book will interest students and researchers from fields like health and social care and disciplines such as sociology psychology politics and philosophy **Learning to Be Old** Margaret Cruikshank, 2003 Describes beliefs customs and traditions surrounding aging in America and suggests that awareness of these social constructions can help women resist their negative impact After critiquing cultural myths ageism the politics of aging and mainstream gerontology she proposes a feminist geratology in which older women including minorities and lesbians interview their peers as part of the research agenda *Age Friendly* Lawrence R. Samuel, 2021-09-21 Age Friendly Ending Ageism in America is a rallying call to make the United States a more equitable and just nation in terms of age Age friendliness means being inclusive towards older people as workers consumers and citizens something that can't be said to exist today The United States and especially Big Business are notoriously age unfriendly places a result of our obsession with youth Virtually all aspects of everyday life in America will be impacted by the doubling or tripling of the number of older people over the next two decades more reason to adopt age friendliness as a cause Age Friendly shows how large companies are in an ideal position to address the aging of America and in the process benefit from making their organizations more age friendly Because of its economic power and commitment to diversity in the workplace Big Business specifically the Fortune 1000 has the opportunity and responsibility to take a leadership role in changing the narrative of aging in America The book shows that age friendliness offers the possibility of bridging gaps not just between younger and older people but those based on income class race gender politics and geography More than anything else Age Friendly presents a bold and counterintuitive idea aging is a positive thing for businesses individuals and society as a whole and we should embrace it rather than fear it While ageism is a pervasive force

in America that like racism and gender discrimination runs contrary to our democratic ideals there is some good news An age friendly movement is spreading in America and around the world as a growing number of cities and towns strive to better meet the needs of their older residents As well a concerted effort is being made to convince Big Business that an intergenerational workforce is in the best interests of not just older employees but the companies themselves Age brings experience perspective and wisdom just the right skill set for both short and long term decision making The aging of America also presents major implications for businesses in terms of marketing to older consumers Baby boomers are still the key to the economy despite marketers focus on youth much in part to their collective wealth and propensity to consume Age friendly marketing thus makes much sense due to the longevity economy i e the billions of dollars that older consumers spend each year and the goldmine that looms in the future as they become an even bigger percentage of the population Finally Age Friendly discusses how more corporations are pursuing social responsibility in addition to maximizing profits an ideal opportunity for corporations to demonstrate good citizenship by supporting age friendliness on a local state or national level

Ageing without Ageism? Greg Bognar, Axel Gosseries, 2023-04-29 Ageing without Ageism contributes to the essential and timely discussion of age ageism population ageing and public policy It demonstrates the breadth of the challenges posed by these issues by covering a wide range of policy areas from health care to old age support from democratic participation to education and from family to fiscal policy With contributions from 21 authors the discussion bridges the gap between academia and public life by putting in dialogue fresh philosophical analysis and specific new policy proposals It approaches familiar issues like age discrimination justice between age groups and democratic participation across the ages from novel perspectives
