Germanwings: The Investigation Simon Hradecky,2025-05-12 Failure is not an option a principle long established in

space exploration Simon Hradecky now applies this motto to the investigation of the 2015 Germanwings disaster challenging the official account of events In his gripping book Hradecky explores how technical malfunctions and other possible causes were systematically excluded from the investigation The story of the crash is retold from a new perspective that goes far beyond the usual explanations Through his own technical tests and extensive research he demonstrates why the true reasons behind the crash remain hidden to this day A must read for anyone who wants to understand the full story behind this tragedy
