**Spirituality and the Occult** Brian Gibbons, 2013-07-04 Spirituality and the Occult argues against the widely held view that occult spiritualities are marginal to Western culture Showing that the esoteric tradition is unfairly neglected in Western culture and that much of what we take to be modern derives at least in part from this tradition it casts a fresh intriguing and persuasive perspective on intellectual and cultural history in the West Brian Gibbons identifies the influence and continued presence of esoteric mystical movements in disciplines such as medicine science philosophy Freudian and Jungian psychology radical political movements imaginative

literature      **Lung Diseases and Cancer** Miguel Angel Martinez-Garcia, Mina Gaga, Kwun M. Fong, 2022-12-01 The coexistence of lung disease and cancer in the same person is a frequent occurrence Evidence suggests that this coexistence sometimes goes beyond chance in fact both disease types are associated and the presence of one can be a risk factor or a protective factor for the other In this Monograph the Guest Editors bring together renowned clinical and scientific experts to provide an exhaustive review of the bidirectional relationship between respiratory diseases and cancer not just lung cancer The chapters explore the common causal pathways of cancer and lung disease consider the diseases from an epidemiological clinical and therapeutic point of view and discuss the many ways in which they interact to influence patient management The result is a book that will generate a better understanding of this relationship giving rise to a greater awareness of the possible development of lung disease in people with cancer and of the different types of cancer that are frequently seen in those with lung diseases
