This book is a look at some of the world's most iconic houses and gardens not only rich in ideas for all readers but a resource and inspiration for designers, architects and landscape architects as well.

American Modern Thomas Obrien, 2018-06-05 One of those designers whose interior and furniture designs look discovered not created both comfortable and exquisite calm and eclectic Apartment Therapy Designer and merchant collector and tastemaker Thomas O'Brien has made a career of translating cool notions of modernism into an easy and generous array of modern styles that anyone can attain. Now he introduces readers to a range of those styles from casual to formal vintage to urban alongside stunning photography and charming design stories. O'Brien carefully describes the design process of his chosen projects including a downtown New York City loft, a traditional Connecticut estate and a converted schoolhouse in eastern Long Island. Each home explores a view on the modern design spectrum he has created as well as the individual choices that make the design unique and its mix essentially American. He explains not only what was at work to create a given style but how readers can import those practices to their own homes and personal design sensibilities. Important design principles such as architectural authenticity, color relationships, correctness of scale and informed collecting are threaded through a practical narrative that reads like a master class in interior design. *American Modern* is an inspiring design volume that will redefine the way readers think about modern interiors. O'Brien carefully describes the design process of his chosen projects. Beautiful imagery and a unique layout describe his approach to design in a new and innovative way. **LIFEMSTYLE** It's like getting a glimpse into the studio paintings of a great master. I especially love how all of his spaces feel so gender neutral the perfect balance. **Cottage Farm**

Bibliostyle Nina Freudenberger, Sadie Stein, 2019-10-22 A visual delight and an inspiration for every bibliophile with a growing home library this dream and drool design book features some of the most jaw dropping book collections of homeowners around the world. **NAMED ONE OF JO'S FALL FAVORITES IN MAGNOLIA JOURNAL** Interior designer Nina Freudenberger, New Yorker writer Sadie Stein and Architectural Digest photographer Shade Degges give readers a peek at the private libraries and bookshelves of passionate readers all over the world including Larry McMurtry, Silvia Whitman of Shakespeare and Co, Gay and Nan Talese and Emma Straub. Throughout gorgeous photographs of rooms with rare collections floor to ceiling shelves and stacks upon stacks of books inspire readers to live better with their own collections. Praise for *Bibliostyle* Featuring

enviable private libraries and packed floor to ceiling shelves this beautiful volume makes a compelling case for books as décor. New York: Freudenberger spotlights the splendid, enviable personal libraries of literary figures whose owners obviously care about their book collections and have actually read them too. The Boston Globe: This is a coffee table book that makes you think as well as admire and desire. Sydney Herald: Offers a look into the fabulous homes of book lovers the world over showcasing how their interior design is built around the tomes they love most. CN: The photographs of rooms with rare collections floor to ceiling shelves and stacks upon stacks of books will inspire readers to live better with their own collections. Publishers Weekly: Nina Freudenberger teams with Sadie Stein of The New Yorker and photographer Shade Degges of Architectural Digest to showcase beautiful photographs of the private libraries of book lovers from all over the world. BookRiot: Furniture & Interiors of the 1940s Anne Bony, 2003. The 1940s marked a period of transition in interior design: the quarrel between ancient and modern was outdated; the combination of function and art was essential; and interior designers were more focused on new creations rather than on post-war reconstruction. The style of this period exhibits all the contradictions that arise from a society that was in a general state of shock, unsure of what the future would hold. Exemplary cabinet making marks the period, featuring famous names like T. H. Robsjohn, Gibbing and George Nelson from the United States. In France, Adnet, Arbus, Dominique Kohlmann, Jallot and Leleu produced sumptuous ensembles with beautiful detailing. Furniture and Interiors of the 1940s features the work of numerous designers in 300 archival images and recent color photographs that shed new light on this transitional period in design as it evolved both in Europe and in the United States.

Studio Sofield Works William Sofield, Emma O'Neill, 2025-10-14. An extraordinary work of bookmaking, this is the first and only book from one of the most sought-after architecture and design ateliers in the world. Known for their discretion, Studio Sofield publishes for the first time here many of its most important houses and retail settings. The firm has originated identities and design experiences for global brands such as Gucci, Bottega Veneta, Tom Ford, Yves Saint Laurent and Harry Winston; iconic locales from the SoHo Grand to Zero Bond; and some truly extraordinary homes. Countless notable clients call upon them for their multidisciplinary approach, refined aesthetic and affinity for material and craft. This comprehensive portfolio, spanning more than thirty years, is a visual journey through the culture and mood of each era of their design work in gorgeous photography and intimate narratives recounting everything from the evolution of Gucci's identity to resurrecting artisanal stone carving techniques for a landmark building. Whether sourcing stone with calligraphic veining for artists Helen and Brice Marden, designing furniture or forging original hardware, Studio Sofield is adept at reflecting the individuality of each commission, from a family home to the studied ethos of a luxury fashion brand. To open this book is to dive into its archives where drawings, sketches, photographs, textile samples and ephemera bring to life more than three decades of groundbreaking collaborations. Not only a most valuable resource but a beautiful object in its own right, it is printed in Germany on the highest quality stock with a dozen generous gatefolds and the overall sublime quality that defines the studio.

Alexandre Noll Introduction

In the digital age, access to information has become easier than ever before. The ability to download Alexandre Noll has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Alexandre Noll has opened up a world of possibilities. Downloading Alexandre Noll provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Alexandre Noll has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Alexandre Noll. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Alexandre Noll. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Alexandre Noll, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed

and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Alexandre Noll has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
