

ALIEN INVASION WAR PLAN

CLASSIFIED

First warning of an alien invasion is likely to come from the Hubble Space Telescope.

[REDACTED]

The Deep Space Network, or a radio telescope, e.g. Jodrell Bank. The Ballistic Missile Early Warning System at RAF Fylingdales may also play a role in detection.

[REDACTED]

UK Threat Level will immediately be raised to CRITICAL. [REDACTED]

The PM will form a War Cabinet, with membership to include the Home Secretary, the Secretary of State for Defence, the Foreign Secretary, the Chief of the Defence Staff [REDACTED] and the Government Chief Scientific Adviser.

Any UK military response will probably form part of an international coalition, possibly US-led, and involving NATO. [REDACTED]

Legal authority for military action would come from the United Nations and the international community to resist an attack on sovereign nations.

All forces with air-to-air and ground-to-air capability may be deployed. The bulk of the UK effort will comprise Eurofighter Typhoon aircraft armed with Meteor missiles.

[REDACTED]

and Type 45 destroyers armed with Sea Viper missiles. The Defence Science and Technology Laboratory at Porton Down will be asked to develop a biological weapon, though if we are facing a machine intelligence, directed energy weapons and EMP weapons may be more effective. The UK's strategic nuclear deterrent [REDACTED]

[REDACTED] may be used as a weapon of last resort. [REDACTED]

Extraterrestrial invaders will almost certainly possess weapons of mass destruction, and technologies significantly in advance of our own. Key priorities must be to gather intelligence on alien technology, and to reverse-engineer it.

[REDACTED]
