Alive And Well One Doctors Experience With Nutrition In The Treatment Of Cancer Patients:

Alive and Well Philip E. Binzel, 1994 This is one doctor's experience with nutrition in the treatment of cancer Dr Binzel has been using Laetrile and other nutritional therapies in the treatment of cancer patients since the mid 1970s His record of success is astounding He tells of his ongoing battle with the medical establishment but this is primarily the story of his alive and well patients many of whom had been told by their previous doctors that they had only a few months to live Medical case histories are included **Education of Cancer Healing Vol. VIII - Martyrs** Peter Havasi, The Journey Through Cancer Dr. Jeremy Geffen, 2007-12-18 The Journey Through Cancer is an essential guide for all cancer patients their families and their loved ones As a board certified oncologist with more than ten years of experience serving as physician guide mentor coach and friend to thousands of cancer patients and their families Dr Jeremy Geffen has learned how cancer often challenges the mind heart and spirit of patients and their families as deeply if not more deeply than it challenges the physical body Yet this simple truth is often overlooked by Western medicine as it aggressively pursues the best ways to diagnose and treat cancer Too often physicians focus almost exclusively on the physical dimensions of the disease rather than caring for the whole person who has the disease Dr Geffen presents a groundbreaking seven level program used at his cancer center in Florida that addresses every dimension of the person with cancer physical mental emotional and spiritual Education and Information giving patients answers to questions about their disease and their treatment options Psychosocial Support focusing on the need for and benefits of a strong support network The Body as Garden exploring the vast array of alternative and complementary therapies Emotional Healing helping patients and families deal with the often overwhelming emotional challenges of cancer The Nature of Mind exploring how patients thoughts and beliefs profoundly influence their journey Life Assessment showing patients how to discover their life's deepest meaning and purpose The Nature of Spirit connecting patients to the profoundly healing spiritual aspect of life we all share In The Journey Through Cancer Dr Geffen presents a revolutionary model of healing based on the best treatments available from every culture and paradigm of medicine one that respects and explores every possible avenue and resource for healing and transformation blending East and West body and mind heart and technology science and spirit **Education of Cancer Healing Vol. IX - The Best Of** Peter Havasi, 2013-06-14 The Education of Cancer Healing is the MOST comprehensive and COMPLETE study collection on the history of cancer healing on the market today Totalling more than 2500 pages filled with invaluable information this magnum opus holds answers to your questions regarding cancer and many other diseases These books give you information which is in fact a HEALING DYNAMITE covered by thousands of scientific and medical studies independent professionals and dozens of patient and witness testimonials With this masterwork I am giving you the BEST of my own research the product of 300 000 and the result of more than 20 000 hours of exhaustive and careful research in the field of cancer My mission is to give you THE SUPER KNOWLEDGE the foundation for super powers that are within you so that you can heal yourself of cancer

The Cancer Answer Shé D'Montford, **Overcoming Cancer** Gary Null, 2017-07-18 One word strikes more fear into a person's mind than any other cancer. The physical, mental, emotional, and financial toll that comes with a cancer diagnosis is immense and affects not only cancer patients but also families and entire communities. The vast majority of individuals who lose the battle against cancer are treated with the standard orthodox therapy. These people may never have questioned their oncologists, believing that they were in the best possible hands with their physicians' advanced education, their knowledge of the latest treatments, and all the tools of modern research at their disposal. In *Overcoming Cancer*, Gary Null explores the alternative treatments that most mainstream doctors will never discuss with their patients. Did you know that eating melons balances your body's pH, which can help slow the growth of cancer? You were aware that fiber is an important part of a healthy diet, but did you know that it lowers the risk of breast, colorectal, uterine, and prostate cancers? Find health and vitality with Dr. Null's five most powerful tools for fighting cancer. [Embrace, Release, Heal](#) Leigh Fortson, 2011-05-01 After her third cancer diagnosis in three years, Leigh Fortson was given few options by her doctors and little hope for a bright future. For weeks she mourned the life she thought she was losing until she was introduced to an idea that changed everything: our thoughts and emotions influence every cell in our body. This revelation gave her the hope that would begin her journey to becoming cancer-free and more joyful than she had ever been before. *Embrace, Release, Heal* shares her inspirational story and the fruits of her research in one empowering book. Created to help anyone whose life has been affected by cancer, this in-depth resource offers interviews with both allopathic and integrative medical experts, remarkable accounts from people who transcended terminal cancer and are now thriving, snapshots of progressive treatment techniques, and insights into other key factors that can affect well-being, including thoughts, emotions, and diet. [Cure Your Cancer](#) Bill Henderson, 2003 Proven, gentle, non-toxic remedies. Praised by readers in 42 countries, Bill Henderson's *Cure Your Cancer* book describes exactly how you can take control of your cancer and overcome it. Eighty-one treatments, each of which has cured thousands of cancer patients, including terminal cases, are covered in this book. Bill has spent the last three years in intense study of the Internet, resources, clinics, doctors, supplements, and support groups now available to you. Augmented by his vibrant network of cancer crusaders, doctors, researchers, and cancer survivors, he guides you every step of the way to vibrant health. When his former wife, Marjorie, died on November 1st, 1994, after a four-year bout with ovarian cancer, Bill vowed that there must be a better way to treat cancer. Six years later, he published the first edition of this book. This second edition of *Cure Your Cancer*, published in January 2003, incorporates all the knowledge he gained from the many doctors and cancer researchers who contributed to his 35 newsletters and from his thousands of readers all over the world. This is how to book. It encourages you to take charge of your health and gives you the guidance you need to do just that. *Alternative Health Care* Michael Goldstein, 2010-09-20 What is alternative medicine? Why is it so popular? What's its future in American health care? [World](#)
