interesting person or that he and Melody would become good friends and later more than friends But when junior class hottie Amy Green asks Leon out after he saves her from getting detention his devotion to Melody hangs in the balance Leon tries to find a way out of this nasty dilemma without hurting anyone but soon he realizes a little too late that playing with someone's heart is as dangerous as playing with matches A 2009 ALA YALSA Best Book for Young Adults Becoming Nicole Amy Ellis Nutt, 2015-10-20 NEW YORK TIMES BESTSELLER The inspiring true story of transgender actor and activist Nicole Maines whose identical twin brother Jonas and ordinary American family join her on an extraordinary journey to understand nurture and celebrate the uniqueness in us all Nicole appears as TV's first transgender superhero on CW's Supergirl When Wayne and Kelly Maines adopted identical twin boys they thought their lives were complete But by the time Jonas and Wyatt were toddlers confusion over Wyatt's insistence that he was female began to tear the family apart In the years that followed the Maineses came to question their long held views on gender and identity to accept Wyatt's transition to Nicole and to undergo a wrenching transformation of their own the effects of which would reverberate through their entire community Pulitzer Prize winning journalist Amy Ellis Nutt spent almost four years reporting this story and tells it with unflinching honesty intimacy and empathy In her hands *Becoming Nicole* is more than an account of a courageous girl and her extraordinary family It's a powerful portrait of a slowly but surely changing nation and one that will inspire all of us to see the world with a little more humanity and understanding Named One of the Ten Best Books of the Year by People One of the Best Books of the Year by The New York Times Book Review and Men's Journal A Stonewall Honor Book in Nonfiction Finalist for the Lambda Literary Award for Transgender Nonfiction Fascinating and enlightening Cheryl Strayed If you aren't moved by *Becoming Nicole* I'd suggest there's a lump of dark matter where your heart should be The New York Times Exceptional Stories move the walls that need to be moved Nicole told her father last year In telling Nicole's story and those of her brother and parents luminously and with great compassion and intelligence that is exactly what Amy Ellis Nutt has done here The Washington Post A profoundly moving true story about one remarkable family's evolution People *Becoming Nicole* is a miracle It's the story of a family struggling with and embracing a transgender child But more than that it's about accepting one another and ourselves in all our messy contradictory glory Jennifer Finney Boylan former co chair of GLAAD and author of *She's Not There: A Life in Two Genders* **Gender(ed) Identities** Tricia Clasen, Holly Hassel, 2016-08-25 This volume brings together diverse cross disciplinary scholarly voices to examine gender construction in children's and young adult literature It complements and updates the scholarship in the field by creating a rich cohesive examination of core questions around gender and sexuality in classic and contemporary texts By providing an expansive treatment of gender and sexuality across genres eras and national literature the collection explores how readers encounter unorthodox as well as traditional notions of gender It begins with essays exploring how children's and YA literature construct communities formed by gender ethnicity sexuality and in face to face and virtual spaces Section II's central focus is how gendered identities are formed unpacking
