Alpha Jasinda Wilder,2016-10-06 The first time it happened it seemed like an impossible miracle Bills were piling up adding up to more money than I could ever make Mom s hospital bills My baby brother s tuition My tuition Rent Electricity All of it on my shoulders And I had just lost my job There was no hope no money in my account no work to be found And then just when I thought all hope was lost I found an envelope in the mail No return address My name on the front my address Inside was a check made out to me in the amount of ten thousand dollars Enough to pay the bills and leave me some left over to live on until I found a job Enough to let me focus on classes There was no name on the check just VRI Inc and a post office box address for somewhere in the city No hint of identity or reason for the check or anything No mention of repayment interest nothing except a single word on the notes line You Just those three letters If you receive a mysterious check for enough money to erase all your worries would you cash it I did The next month I received another check again from VRI Incorporated It too contained a single word belong A third check the next month This time two words Four letters To me The checks kept coming The notes stopped Ten thousand dollars every month A girl gets used to that real quick It let me pay the bills without going into debt Let me keep my baby brother in school and Mom s hospice care paid for How do you turn down what seems like free money when you re desperate You don t I didn t And then after a year there was a knock on my door A sleek black limousine sat on the curb in front of my house A driver stood in front of me and he spoke six words It s time to pay your debt Would you have gotten in I did It turns out 120 000 doesn t come free
