

"Always"

This romeo is bleeding
But you can't see his blood
It's nothing but some feelings
That this old dog kicked up

It's been raining since you left me
Now I'm drowning in the flood
You see I've always been a fighter
But without you I give up

Now I can't sing a love song
Like the way it's meant to be
Well, I guess I'm not that good anymore
But baby, that's just me

And I will love you, baby - Always
And I'll be there forever and a day - Always
I'll be there till the stars don't shine
Till the heavens burst and
The words don't rhyme
And I know when I die, you'll be on my mind
And I'll love you - Always

Now your pictures that you left behind
Are just memories of a different life
Some that made us laugh, some that made us cry
One that made you have to say goodbye
What I'd give to run my fingers through your hair
To touch your lips, to hold you near
When you say your prayers try to understand
I've made mistakes, I'm just a man

When he holds you close, when he pulls you near
When he says the words you've been needing to hear
I'll wish I was him 'cause those words are mine
To say to you till the end of time

Yeah, I will love you baby - Always
And I'll be there forever and a day - Always

If you told me to cry for you
I could
If you told me to die for you
I would
Take a look at my face
There's no price I won't pay
To say these words to you

Well, there ain't no luck
In these loaded dice
But baby if you give me just one more try
We can pack up our old dreams
And our old lives
We'll find a place where the sun still shines

And I will love you, baby - Always
And I'll be there forever and a day - Always
I'll be there till the stars don't shine
Till the heavens burst and
The words don't rhyme
And I know when I die, you'll be on my mind
And I'll love you - Always

My Father Always Finds Corpses Lee Hollis, 2025-05-27 With a wryly witty and assured voice and a vastly entertaining cast of characters Lee Hollis puts a modern slant on the classic murder mystery as a father daughter sleuthing duo are drawn into a case close to home You never forget your first corpse For former child star Jarrod Jarvis that discovery was twenty plus years ago and a lot has happened since he solved a string of real life Hollywood murders Now Jarrod lives in Palm Springs where he writes and directs local theatre while quietly grieving the loss of his partner police detective Charlie Jarrod hasn't disclosed much about his sleuthing past to his daughter Liv who just earned a degree in criminal justice There's been distance between them since Charlie's death and Jarrod's unsure how to bridge the gap Liv meanwhile has put her career on hold in order to help her filmmaker boyfriend Zel His new documentary idea is to track down the surrogate who gave birth to Liv Skeptical and annoyed by Zel's pressure tactics Liv goes to confront him at his apartment But there's no need to break things off because someone has bludgeoned Zel to death Jarrod rushes to Liv's aid surprising his daughter with his ease around a crime scene firing off questions like a modern day Columbo with better hair and wardrobe Another shock is quite how many people had motive to finish Zel off including a Russian film professor a former First Lady and a sexy Secret Service agent Together Liv and Jarrod comb for clues across the sun drenched Coachella valley growing close again But while there's nothing like murder to bring a family together this father daughter reunion may be short lived as long as a killer is on the loose
