Defending Frequently Challenged Young Adult Books Pat R. Scales, 2016-09-08 A Day No Pigs Would Die Speak Thirteen Reasons Why These are some of the most beloved and most challenged books Leaving controversial titles such as these out of your collection or limiting their access is not the answer to challenges While ALA's Office for Intellectual Freedom reports more than 4 500 challenges to young adult literature from 2000 through 2009 This authoritative handbook gives you the information you need to defend challenged books with an informed response and ensure free access to young book lovers With a profile of each book that includes its plot and characters related materials and published reviews awards and prizes and Web and audiovisual resources you will be prepared to answer even the toughest attacks *Radical Reads* Joni Richards Bodart, 2002 Radical young adult fiction can be edgy and raw which is why young adults who read it find it to be very relevant to their lives Teens struggling with issues in today's society can often recognize themselves and identify their problems in the fictional lives they read about There are no easy answers or pat endings in these books They often are accused of being dark gritty and bleak because they deal with subjects like incest teenage pregnancy dysfunctional families gangs prejudice violence drugs or other complex problems Central characters can be quite mature and multidimensional and plot lines are complex These books break boundaries in various ways from the challenge they present to the reader to the voice they give to their young protagonists Radical YA fiction is frequently more complex and better written than many adult bestsellers Bodart long known as the reigning queen of booktalking has identified 101 engaging tough and well written books and presents them in a way that will help the librarian defend their presence in the library or classroom the parent who wants to know what their child is reading and the teen who is looking for a Rad Read Naturally there is a booktalk to pique interest and give away just enough of the story Entries also include character lists and sections on subject areas and major themes Bodart also provides a number of booktalk and book report ideas Her section on risks will alert adults to mature themes while her section on strengths will help defend these books against their critics The author has also included awards won and a section of book reviews which will be useful for both adult and student All the books listed are accessible to readers of middle school ability and up This is truly a multipurpose book from an expert who knows her stuff and essential for any library serving a teen audience and handy for parents as well **Some of My Best Friends are Books** Judith Wynn Halsted, 2009 Recommends books for gifted readers that provide insights and coping skills for issues they may face from preschool through high school featuring more than three hundred titles with brief summaries organized by reading levels and includes an index arranged by theme **Blue Daughter of the Red Sea** Meti Birabiro, 2004-08-20 Born into a life of constant financial physical and moral threat Meti Birabiro takes refuge in literature and the fantastic Blue Daughter of the Red Sea is Birabiro's poetic account of the harsh reality of her young life spread across three continents Her voice is a fresh mélange of child and adult perspectives at once brutally honest and wise beyond her years Through her journey from Ethiopia

to Italy and finally to the United States we encounter Birabiro's relatives, friends and enemies, relationships so intense that these people become her vampires, devils, angels and saints. These characterizations always lead her back to the truth, helping her to decipher what is fair and good to understand what she must cherish and what she must rage against. **Coming Out of Isolation** Christopher Okemwa, 2022-10-04 The alarm and the horror that characterized the years 2020 and 2021 are fading fast, gone or about to go, while the gentle footsteps of the Guardian spirit can be heard yonder. Images of spring sunlight, blazing candles, brilliant flowers and moonlit nights are taking center stage in our minds. There is hope for a better life and a healthy situation in the world in 2022 as people start to gather on the streets, hugging and kissing, their maskless faces displaying laughter, giggles and beauty. In incredible abundance, life has come or is soon coming back, rushing in, bending down to pick up its old cloth. This anthology *Coming Out of Isolation: Poems on Resilience, Triumph, Hope* features poems written by poets after their endless days in lockdown and self-isolation. The poems herein express the poets' feelings and thoughts in a new way with a healing tonal quality, brighter and pleasant imagery, and new, lively metaphors. *Bookbird*, 1994

At her mother's death, she goes to live with her father, a tyrannical, selfish but superficially charming person. Caught in the whirl of the life which surrounds her, Hildegard fights to retain her ideals. Her mother's spirit contends with the living influence of the father. This contention and masterful wooing of Hildegard's country lover, Crispin, are the high points of this beautiful and highly realistic story. **Gay & Lesbian Literature: Introduction to gay male literature**, 1994
