Facts and Artefacts Annette Hagedorn, Avino'am Šālēm, 2007-01-01 The scholarly search on the art of the object is of enduring interest and enjoys a new renaissance in the last few years This book mainly explores the art and craft of Islamic artefacts and presents to the reader a diverse range of approaches Despite this variety in which also artefacts of the pre Islamic period as well as orientalized European artefacts of the modern era are included there is an overarching theme the linking of the interpretation of objects and their specific aesthetics to textual sources and the aim of setting them in historical

and artistic context In this impressive collection honouring the German scholar of Islamic art Jens Kroger on his 65th birthday Avinoam Shalem and Annette Hagedorn bring together contributions from a highly distinguished group of scholars of Asiatic Sasanian Islamic as well as European art history Unpublished artefacts and new interpretations are presented in this book *Freemasonry and the Visual Arts from the Eighteenth Century Forward* Reva Wolf, Alisa Luxenberg, 2019-11-28 Choice Outstanding Academic Title for 2020 With the dramatic rise of Freemasonry in the eighteenth century art played a fundamental role in its practice rhetoric and global dissemination while Freemasonry in turn directly influenced developments in art This mutually enhancing relationship has only recently begun to receive its due The vilification of Masons and their own secretive practices have hampered critical study and interpretation As perceptions change and as masonic archives and institutions begin opening to the public the time is ripe for a fresh consideration of the interconnections between Freemasonry and the visual arts This volume offers diverse approaches and explores the challenges inherent to the subject through a series of eye opening case studies that reveal new dimensions of well known artists such as Francisco de Goya and John Singleton Copley and important collectors and entrepreneurs including Arturo Alfonso Schomburg and Baron Taylor Individual essays take readers to various countries within Europe and to America Iran India and Haiti The kinds of art analyzed are remarkably wide ranging porcelain architecture posters prints photography painting sculpture metalwork and more and offer a clear picture of the international scope of the relationships between Freemasonry and art and their significance for the history of modern social life politics and spiritual practices In examining this topic broadly yet deeply *Freemasonry and the Visual Arts* sets a standard for serious study of the subject and suggests new avenues of investigation in this fascinating emerging field *Artists in Ohio, 1787-1900* Mary Sayre Haverstock, Jeannette Mahoney Vance, Brian L. Meggitt, 2000 A three volume guide to the early art and artists of Ohio It includes coverage of fine art photography ornamental penmanship tombstone carving china painting illustrating cartooning and the execution of panoramas and theatrical scenery **Arcadian Waters and Wanton Seas** Arne Neset, 2009 The nineteenth century was the great age of landscape painting in Europe and America In an era of rapid industrialization and transformation of landscape pictures of natural scenes were what people wanted most to display in their homes The most popular and marketable pictures often degenerating into kitsch showed a wilderness with a pond or a lake in which obtrusive signs of industry and civilization had been edited out Inspired by Romantic ideas of the uniqueness of the nation pictorial and literary art was supposed to portray the soul of the nation and the spirit of place a view commonly adopted by cultural and art historians on both sides of the Atlantic *Arcadian Waters and Wanton Seas* argues that nationalistic or exceptionalist interpretations disregard deep rooted iconological traditions in transatlantic culture Depictions and ideas of nature go back to the classical ideas of Arcadia and Eden in which fountains ponds lakes rivers and finally the sea itself are central elements Following their European colleagues American artists typically portrayed the American Arcadia through the classical

conventions Arcadian Waters and Wanton Seas adopts the interdisciplinary and comparative methodological perspectives that characterize American studies The book draws on art history cultural history literature and the study of the production and use of visual images and will serve well as a textbook for courses on American studies or cultural history of the Western world
