A Menorah for Athena Stephen Fredman, 2001-05 The first major Jewish poet in America and a key figure of the Objectivist movement Charles Reznikoff was a crucial link between the generation of Pound and Williams and the more radical modernists who followed in their wake *A Menorah for Athena* the first extended treatment of Reznikoff's work appears at a time of renewed interest in his contribution to American poetry Stephen Fredman illuminates the relationship of Jewish intellectuals to modernity through a close look at Reznikoff's life and writing He shows that when we regard the Objectivists as modern Jewish poets we can see more clearly their distinctiveness as modernists and the reasons for their profound impact upon later poets such as Allen Ginsberg and Charles Bernstein Fredman also argues that to understand Reznikoff's work more completely we must see it in the context of early nonsectarian attempts to make the study of Jewish culture a force in the construction of a more pluralistic society According to Fredman then the indelible images in Reznikoff's poetry open a window onto the vexed but ultimately successful entry of Jewish immigrants and their children into the mainstream of American intellectual life *English Journal* , 1998 *Gender Protest and Same-Sex Desire in Antebellum American Literature* David Greven, 2016-04-22 Expanding our understanding of the possibilities and challenges inherent in

the expression of same sex desire before the Civil War David Greven identifies a pattern of what he calls gender protest and sexual possibility recurring in antebellum works He suggests that major authors such as Margaret Fuller Edgar Allan Poe Herman Melville and Nathaniel Hawthorne consciously sought to represent same sex desire in their writings Focusing especially on conceptions of the melancholia of gender identification and shame Greven argues that same sex desire was inextricably enmeshed in scenes of gender role strain as exemplified in the extent to which The Narrative of Arthur Gordon Pym depicts masculine identity adrift and in disarray Greven finds similarly compelling representations of gender protest in Fuller s exploration of the crisis of gendered identity in Summer on the Lakes in Melville s representation of Redburn s experience of gender nonconformity and in Hawthorne s complicated delineation of desire in The Scarlet Letter As Greven shows antebellum authors not only took up the taboo subjects of same sex desire and female sexuality but were adept in their use of a variety of rhetorical means for expressing the inexpressible Academy, with which are Incorporated Literature
