Dark Thirty and separately explores how alternative modes of hospitality are enabled by the fluid and dynamic space of the street and the urban art found there The final chapter examines Don DeLillo s 2007 novel Falling Man and argues that the novel demonstrates a sustained engagement with hospitality through the figure of organic shrapnel a metaphor that suggests the possibility of being literally and figuratively embedded by another The purpose of this book is to point out the diverse and even devastating ways that hospitality appears in ways that remind us that if hospitality as we understand it is failing it matters more than ever how we deploy it *Journal - Institution of Municipal Engineers* Institution of Municipal Engineers (Great Britain),1906 *African Review* ,1902 Journal of the Society of Arts Royal Society of Arts (Great Britain),1904
