Shaktipat Mark Griffin, 2012-01-02 For a chemist, the word catalyst means a substance that rapidly brings about change, allowing transformations to occur that may not have been possible without the introduction of that catalytic agent. For a spiritual seeker, the concept of shaktipat is understood in the same way. It is a moment of pure contact with the divine that quickens the journey towards awakening and raises the state of the seeker to an entirely new level of understanding and experience. In this volume of the Essential Spiritual Training series, Mark Griffin answers four of the most salient questions a seeker can ask: What is shaktipat? Why should I be interested in it? How is shaktipat given? When does shaktipat become available to me?

The Age of Kali William Dalrymple, 2000

Religion in the New Age Swami Kriyananda, 2009-03-16 That we live in a New Age seems an incontestable fact. Just 100 years ago, the world had no paved highways, no speeding cars, airplanes, cell phones, washing machines, computers, or satellite dishes, to name only a few things that today we take for granted. But the greatest change that has occurred has been our perception of reality, which began with the discovery that matter is actually composed only of vibrations of energy, and that energy is the reality behind everything around us. Today we perceive everything in terms of energy; we have become an energy-conscious as well as an energy-dependent society. In this collection of fascinating essays on a variety of topics, Swami Kriyananda, a renowned and prolific writer, presents an approach to modern life that may seem radically new. The book's title essay, *Religion in the New Age*, shares the ancient teaching common to many cultures: that time is cyclical and that we are now in an upward cycle, coming into an age of energy awareness from a darker age of matter. The author shows society, political and social events, and religion and religious institutions from the viewpoint of different cycles of time.

The Islamic Syncretistic Tradition in Bengal Asim Roy, 2014-07-14 Asim Roy argues that Islam in Bengal was not a corruption of the real Middle Eastern Islam as nineteenth-century reformers claimed, but a valid historical religion developed in an area totally different from the Middle East.
