storied 87 year existence the SEC has evolved into the most impressive league of organized intercollegiate gridiron competition in the history of the United States No other Football Bowl Subdivision FBS conference can boast of the many accolades and attendance records that the SEC currently holds Furthermore the Southeastern Conference has produced more All American football players than any other conference This book is dedicated to all the Southern people who live for Saturdays in the fall for those individuals who plan their business and personal engagements around their favorite team s football schedule for those who always experience a rise in their body temperature when they enter the stadium for those who shed a tear during the singing of their alma mater and especially for those who know all the words to their school s fight song It is for the people who wake up early on Sunday morning after a win so they can read each and every one of the sports columns about the game they witnessed the day before It is for all those who enjoy good company and good food in the parking lot before the game as much and if not more than the food and company at a fancy restaurant These things that we hold dear all true SEC fans know and love and look forward to each autumn It s that time of year when the heated summer temperatures begin to fade and yield to colder days when the leaves begin to change color and when the youthful partisan spirit within us all crackles like the kindling of a well planned winter fire
