[Coming Home to Myself](#) Wynonna Judd, Patsi Bale Cox, 2007-06-05

From the heart of one of the world's most beloved entertainers comes an engaging memoir of professional triumph, private heartbreak and personal victory. It didn't take Wynonna Judd long to find her purpose or her voice. She picked up her first guitar at nine and in less than ten years was performing with her mother Naomi in a celebrated, multiple award-winning platinum-selling duo, a phenomenal success story that would set the stage for an equally triumphant solo career. Then came the turning point that forced the country music superstar to take a hard look at where she was, how she got there and where she was headed. The result is *Coming Home to Myself*, an intimate look into the life of the chart-topping legend. From her humble roots to the career changes that would define the second half of her dynamic life, this memoir of survival, strength, family and forgiveness will resonate with anyone who ever dreamed of finding themselves. **VideoHound's Golden Movie**
