Anime and Manga , Vampires from Another World Simon Bacon, 2021-06-04 This book begins at the intersection of *Dracula* and *War of the Worlds* both published in 1897 London and describes the

settings of Transylvania Mars and London as worlds linked by the body of the vampire It explores the vampire from another world in all its various forms as a manifestation of not just our anxieties around alien others but also our alien selves Unsurprisingly many of the tropes these novels generated and particularly the themes they have in common have been used and adapted by vampire narratives that followed From Nosferatu to Alien Interstellar Stranger Things and many others this book examines how these narratives have evolved since the end of the nineteenth century Bringing together texts and films from across the 19th 20th and 21st centuries from the far reaches of outer space and the distant future it concludes that the unexpected and the unknown are not always to be feared and that humanity does have the power to write its own future

Dialectics of the Goddess in Japanese Audiovisual Culture

Lorenzo J. Torres Hortelano, 2017-12-01 Through provocative essays by specialists in different aspects of Japanese culture this book provides an historical and analytical survey of the presence of Goddesses in Japanese audiovisual culture from its origins to the present day It shows how these feminine myths are represented in Japan not only as beneficial or creative deities but also the archetypal strong or dominant woman that sometimes overshadows masculine figures and heroes or as influential figures Therefore it analyzes this rich dialectic of the feminine and how the audiovisual culture has represented it thus far in film TV series and video games made in Japan While many theories have been proposed to explain the presence of Goddesses in Japan this book's focus on audiovisual culture explores how this corpus challenges the traditional conceptions of the feminine as related to Goddesses
