Allan Holdsworth Allan Holdsworth,2002-06-01      **Allan Holdsworth -- Just for the Curious: Book & Online Audio**  
Allan Holdsworth,1993-12 Based on the Allan Holdsworth REH video Allan discusses his unique approach to scales chords and improvising Beginning with a complete discussion of 15 different scales Allan shows how he derives his extraordinary chord voicings from these scales Includes five fully transcribed songs In standard notation and tab      **Allan Holdsworth**  
Franz Abt,1992-12-29 One of the most unique respected guitarists reveals his insights to improvising      **How to Play Like Allan Holdsworth**  
Graham Tippet,2016-07-13 Ever since my first guitar teacher introduced me to the music of Allan Holdsworth in the late 90s it has been an ongoing apprenticeship I became fascinated not only with his music but with his approach to music itself and the way he thinks about chords scales and improvisation Allan s REH video was a blessing for me as I was able to glean enough insight into his playing to understand the way the great man thinks and more importantly to begin to apply those concepts to my own playing I struggled with music theory and orthodox approaches so when Allan s beautifully simple way of thinking about chords and scales clicked for me I knew I had found something that finally made sense I must admit I couldn t play you a single Allan Holdsworth lick and I wouldn t want to as the thought of dissecting his music in that way was always unappealing to me What I wanted to do was get inside his head grasp his way of thinking about music and find out exactly how he was able to come up with such intricate yet outrageous lines and compositions And that is precisely what this book is about Allan s playing looks incredibly complicated and then some to the innocent bystander but the approach behind it is incredibly simple and easy to grasp It s so straightforward in fact that most players who have attempted to describe what he does completely miss the point Once you do understand his approach however you ll have a new appreciation for how far he s taken it and how far it can go This book is not for the faint hearted but you shouldn t be put off by thinking that you ll be getting to grips with a lot of tricky concepts because you won t Allan s way of thinking is almost childlike in its simplicity and when you glimpse it I can assure you that you ll be intrigued      *Allan Holdsworth - Reaching for the Uncommon Chord* Allan Holdsworth,1987-04 Transcribed Full transcriptions of Holdsworth s original composition and performancenotes complete with photo biography section In notes and tab Songs The Abigndon Chasp Fred Home Letters of Marque Shallow Sea Temporary Fault Three Sheets to the Wind Tokyo Dream The Unmerry Go Round White Line      **Devil Take the Hindmost, The Otherworldly Music of Allan Holdsworth (Loose Cog Edition)** Chang Ed (author),1901
