The Naked Soul Tim Alan Gardner, 2010-05-12 Go ahead Leave your loneliness behind We all want to matter to someone but the risks of relationship can seem far too great It's easier to just keep our distance We fear embarrassment misunderstandings and even rejection so we silently endure our loneliness We work on trying to be nice rather than being real hoping that others will like us Or we might simply give in to the path of least resistance the life of hurry impatience and fatigue which feels familiar and safe We pay a terrible price to avoid authentic relationships It's time to stop denying your deepest longing the desire to be known and loved The Naked Soul shows you how to know and accept others and how to be known and accepted by others You can exchange the familiar but deadly territory of loneliness for the exhilaration of giving and receiving love You don't have to hide any longer Break free from loneliness be the person God created you to be and start living a life that matters
