de Génesis y Abraham.**

Livro Apocrifo Do Genesis Suaalteaogato

Joseph A. Fitzmyer

Livro Apocrifo Do Genesis Suaalteaogato:

The Dead Sea Genesis Apocryphon Daniel Machiela, 2009-10-23 The so called Genesis Apocryphon 1Q20 from Qumran Cave 1 has suffered from decades of neglect due in large part to its poor state of preservation As part of a resurgent scholarly interest in the Apocryphon and its prominent position among the Aramaic Dead Sea Scrolls this volume presents a fresh transcription translation and extensive textual notes drawing on close study of the original manuscript all available photographs and previous publications In addition a detailed analysis of columns 13 15 and their relation to the oft cited parallel in the Book of Jubilees reveals a number of ways in which the two works differ thereby highlighting several distinctive features of the Genesis Apocryphon The result is a reliable text edition and a fuller understanding of the message conveyed by this fragmentary but fascinating retelling of Genesis *The Genesis Apocryphon of Qumran Cave 1 (1Q20)* Joseph A. Fitzmyer, 2004 This is the third revised edition of the standard commentary on the Genesis Apocryphon by the author The first edition appeared in 1966 and the second in 1971 The third edition which is about 80 pages longer has integrated new textual findings in particular two columns of the text previously considered to be too fragmentary for inclusion The commentary also evaluates recent scholarly discussion on virtually every part of the text This edition like the previous two also presents an updated reference grammar of the Aramaic of the Genesis Apocryphon and a complete glossary In this respect the book can also serve as a solid introduction to the study of the Aramaic of Qumran
