Model answer for the writing task

I think adulthood is the best time of life because you're old enough to make a contribution to society. Adults can act on their beliefs, whether it's through their choice of job or just through the decisions they make about how they live their life.

When you're a teenager, you have more opinions and beliefs than you've ever had before, but not being able to do anything about them is frustrating! I'd love to do something about Hong Kong's environmental problems, but as a secondary school student I can't do much. I'd like to go to university to study environmental science, and once I've graduated I can actually help to come up with practical solutions.

Being an adult has many other benefits too, of course. You can make your own decisions about what you
