México Jo Tuckman, 2012-07-03 In 2000 Mexico's long invincible Institutional Revolutionary Party PRI lost the presidential election to Vicente Fox of the National Action Party PAN The ensuing changeover after 71 years of PRI dominance was hailed as the beginning of a new era of hope for Mexico Yet the promises of the PAN victory were not consolidated In this vivid account of Mexico's recent history a journalist with extensive reporting experience investigates the nation's young democracy its shortcomings and achievements and why the PRI is favored to retake the presidency in 2012 Jo Tuckman reports on the murky terrifying world of Mexico's drug wars the counterproductive government strategy and the impact of U.S. policies She describes the reluctance and inability of politicians to seriously tackle rampant corruption environmental degradation pervasive poverty and acute inequality To make matters worse the influence of non-elected interest groups has grown and public trust in almost all institutions including the Catholic church is fading The pressure valve once presented by emigration is also closing Even so there are positive signs the critical media cannot be easily controlled and small but determined citizen groups notch up significant if partial victories for accountability While Mexico faces complex challenges that can often seem insurmountable Tuckman concludes the unflagging vitality and imagination of many in Mexico inspire hope for a better future

international attuned to the realities of modern Mexico and flexible enough to speak to the masses as well as the elites Oropesa discusses Novo and Villaurrutia in relation to neo baroque literature and satiric poetry showing how these inherently subversive genres provided the means of expressing difference and otherness that they needed as gay men He explores the theatrical works of Lazo Villaurrutia s partner who offered new representations of the closet and of Mexican history from an emerging middle class viewpoint Oropesa also looks at women s participation in the Contempor neos through Guadalupe Mar n the sometime wife of Diego Rivera and Jorge Cuesta whose novels present women s struggles to have a view and a voice of their own He concludes the book with Novo s self transformation from intellectual into celebrity which fulfilled the Contempor neos desire to merge high and popular culture and create a space where those on the margins could move to the center
