Love Revolution By Joyce Meyer:

The Love Revolution Joyce Meyer, 2009 A leading practical Bible teacher encourages seekers and believers to embrace a new culture of love and concern for one another offering suggestions for living the revolution at home in the community and in the world Includes contributions by guest love revolutionary writers Darlene Zschech Martin Smith Pastor Paul Scanlon John C Maxwell and Pastor Tommy Barnett

The Love Revolution Joyce Meyer, 2009-09-22 Joyce Meyer is not satisfied with the status quo She believes that we each need to become a revolutionary and practice love every day And if Joyce has her way the revolution will spread person by person house by house town by town until the old culture of selfishness and greed gives way to a new culture of concern for others The book is a revolutionaries manual a hands on primer for bringing the Golden Rule to life in the twenty first century Meyer starts out by giving some stunning statistics Right now 210 000 children will die this week because of poverty 640 million children do not have adequate shelter every day 3 000 children are abducted into the sex trafficking industry every day 16 000 children die from hunger related causes She goes on to say that although crisis is global the solution is local We can't solve the world's problems but that isn't a reason to remain idle Love Revolution focuses on personal behavior on the local scale It's not just a call to action it is a call to being being the person who goes out of your way to encourage someone who's out of hope being the one who smiles at a stranger being the one who is willing to do something for nothing The paradox when we do something for nothing what we often get is something far greater

Leaning into the Light Sheila S. Dembowski, 2011-02-24 Since 1999 Sheila Dembowski has been diagnosed with a rare autoimmune disease Myasthenia Gravis and with fibromyalgia both of which sent her and those around her on a journey of both challenges and triumphs Along the way Sheila also experienced the loss of a close friend to cancer and witnessed the illness and death of her father to dementia But she also discovered that life is not without miracles as her story will show including the birth of her son despite her health issues Her memoir is a reflection of how her life was changed by chronic illnesses and how the support of those around her and her faith in God help her to succeed in spite of her difficulties Told with sincerity Sheilas story will inspire others to understand that the only thing in life we can really control is the reaction we have to what happens to us
