Enlarged print edition now available. Writing in an accessible and anecdotal style, Tom Wright helps us to approach the rich and many-sided story of the book of Acts. Wright shows how the book builds on Luke's Gospel, laying out the continuing work and teaching of the now-risen and ascended Jesus in the power of the Spirit. His writing captures the vivid way in which Luke's work draws us all into the story while leaving the ending open and challenging, inviting Christians today to pick up and carry on the story as we in

turn live our lives in the service of Jesus Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions What Jesus Intended Todd D. Hunter,2023-07-18 Many of us feel disoriented and unsteady after an endless string of church scandals After forty years of ministry Todd Hunter is no stranger to betrayal and pain in the church But by unpacking the purposes of Jesus we can expose twisted toxic religion for what it is and embrace the healing and goodness we ve always longed for *Prayerfully Yours* Benjamin Vima,2012-01-05 The truth on the Power of Prayer is Biblical historical and experiential Every religion recognizes it every human that needs support to rise up and walk to think positively and live fruitfully will testify to the usefulness of prayer The Biblical testimony on the efficacy of prayer is As God s Word will not return to Him void but shall achieve the end for which He sent it Is 55 11 so the prayer of the lowly does not rest till it reaches its goal Sir 35 17 18 The author of this book having been a prey of such powerful tool in the Vineyard of the Lord shares his personal and experiential thoughts and convictions about prayer According to him only through prayer humans can build up and manage a qualitylife as the disciples of Jesus Through this book he shares with readers some of his findings of the method of qualityprayer which is simple but productive containing little nuance but with admiration of existing Traditions and exclusive with its unique approach to prayer but inclusive of all possible saints efforts over the centuries in praying fruitfully The author compares qualityprayer process to the walking through inside portions of a Catholic Church building He tries to walk with us through the four phases of qualityprayer and make us perceive clearly our actions and God s own as well at each phase The book asserts that though prayer is not a resource and support in the natural process of human development it is by all means an indispensable source and basis for developing a matured Christian personality However mere formal or traditional prayer would do no good in this regard It would help keeping up our status quo It will not contribute much to our growth of Christian personality Even the prayer of the intellect namely prayerful meditation or reflection would not do that much help as it should This kind of prayer would meet its immature death as I had gone through sometime back Once the intellect gets more truths and facts about life God religion and universe it would surely put a full stop to any kind of prayer But if the same prayer is experiential and personal the author writes if it is intensively connecting the soul to its God the Ground of being the Beyond of everything if it accelerates the process of intimacy between the human and the Divine then surely prayer becomes the primary source of change growth and development in human personality and through him her influences the entire universe This is what happened in Jesus and so in His disciples and godly people of today I dare to name this kind of prayer as QualityPrayer *Grounded in the Body, in Time and Place, in Scripture* Jill Firth,Denise Cooper-Clarke,2021-02-01 In my bibliographies there are no women in the

evangelical tradition and no Australian women scholars This unique volume addresses this gap with eighteen biblically rich and academically rigorous chapters by established and emerging Australian women scholars in the evangelical tradition The authors consider our relationship with the land and Indigenous peoples neighborhood embodiment disability abortion leadership work architecture the media Song of Songs and domestic violence and Jeremiah and weaponized rape and demonstrate recent methodologies such as a social identity reading of Exodus sensory readings of Psalms and John's Gospel and discipleship readings of Mary and Martha and the woman at the well A contemporary Kriol psalm and stories of pioneering Australian women theological students and teachers complete the volume Valuable for students and teachers across Bible theology ministry and practice subjects this book is an essential inclusion in any theological library

Finding the Lost Art of Empathy Tracy Wilde-Pace, 2019-05-21 Pastor Tracy Wilde reflects on the absence of empathy in today's world and shares how Christians can renew their compassion to help unify not only the church but society as well in this timely and refreshing guide Achieving meaningful relationships and cultivating lasting connections with others are often some of the most valuable experiences of our lives So why can it sometimes feel so difficult to relate to the people around us if we all share the same human desire to bond In Finding the Lost Art of Empathy Tracy Wilde addresses the reasons why we struggle with showing empathy toward others and explains why we ultimately avoid it and even avoid

contact with others altogether She explores the different facets that have promoted isolation instead of community and provides the antidote for a more unified loving and empathetic society Inspirational and encouraging Wilde inspires us to self reflect and remove whatever obstacles from our lives that may be blocking our way to true fulfillment in our relationships and living life the way God intends us to Wealth in Ancient Ephesus and the First Letter to Timothy Gary G. Hoag,2015-10-16 Scholars are divided in their views about the teachings on riches in 1 Timothy Evidence that has been largely overlooked in NT scholarship appears in Ephesiaca by Xenophon of Ephesus and suggests that the topic be revisited Recently dated to the mid first century C E Ephesiaca brings to life what is known from ancient sources about the social setting and cultural rules of the wealthy in Ephesus and provides details that enhance our knowledge of life and society in that place and time In this volume Hoag introduces Ephesiaca and employs a socio rhetorical methodology to explore it alongside other ancient evidence and five passages in 1 Timothy 2 9 15 3 1 13 6 1 2a 6 2b 10 and 6 17 19 His findings augment our modern conception of the Sitz im Leben of the wealthy in Ephesus Additionally because Ephesiaca contains some rare terms and themes that are found in 1 Timothy this groundbreaking research offers fresh insight for biblical reading and interpretation The American Church in Crisis David T. Olson,2009-05-26 Groundbreaking research based on a national database of over 200 000 churches shows that the overall United States population is growing faster than the church The director of the American Church Research Project Dave Olson has worked to analyze church attendance showing that it is virtually unchanged from fifteen years ago while our population has grown by fifty two million people What does this mean for you your church and the future of Christianity in North America The American Church in Crisis offers unprecedented access to data that helps you understand the state of the church today We live in a world that is post Christian postmodern and multiethnic whether we realize it or not says the author This book not only gives a realistic picture that confirms hunches and explodes myths but it provides insight into how the church must change to reach a new and changed world with the hope of the gospel Readers will find a richly textured mosaic with optimistic and challenging stories Charts diagrams and worksheets provide church leaders and motivated church members with a stimulating read that will provoke much discussion Questions for discussion accompany the chapters Unexplainable Jesus Erica Wiggerhorn,2019-06-04 When s the last time you were captivated by Jesus Crowds clamored women wept in awe disciples dared to do the impossible all because of Jesus Somewhere in the overly familiar we ve lost our fascination Whether you re worn thin filled with questions or desperate for more of God come encounter Unexplainable Jesus Experience the culture and customs of His day and follow Him into a life unimaginable This study features in depth study of Luke 40 lessons over 8 weeks historical and cultural insights soul searching questions access to extensive online resources Step into the streets of Jerusalem and encounter the Jewish Rabbi who turned the world upside down After rediscovering Jesus on the pages of the book of Luke or maybe discovering Him for the very first time you ll see there is no other plan goal ambition or Person worth
