Mahmoud Moussa, Leonie Newnham, Adela McMurray, Nuttawuth Muenjohn, 2022-09-30 Using empirical data this book uniquely presents the dynamics of innovation within public sector organisations and identifies the most crucial factors that promote innovation or the determinants that enhance innovation activities It presents a macro and micro analysis of workplace innovation in the Australian public sector written by a combination of practitioners and academics to provide both theoretical and practical insights The book reviews the relationship between culture and workplace innovation as a multi dimensional subjective and context specific phenomenon operating dynamically as organisational innovation organisational climate for innovation team and individual innovation It identifies a variance in the perception of workplace innovation and organisational culture between public sector employees with different demographic and employment characteristics The demographic and employment characteristics confirm that employees in a Public Sector Department of State exhibit significant differences between various groups in how culture impacts on workplace innovation This knowledge assists

practitioners in developing positive cultural environments that support the development of workplace innovation and raise awareness in considering the differences within organisations caused by an individual's characteristics. Lastly, the book reviews public organisations around the world and provides a cross-cultural comparison of public sector innovation and leadership. This includes a review of the major forms of public sector systems in operation and how this relates to innovation and leadership. *Innovation and Leadership in the Public Sector* is written for academics and students interested in the public sector innovation field. It is suitable for both graduate and undergraduate students and researchers in the fields of public administration, management, policy, organisational behaviour, human resources management, HRM, and human resources development, HRD courses. Additionally, this book is suitable for middle to senior level administrators or managers who wish to develop more innovative public sector organisations.

Exploring Leadership Richard Bolden, Jonathan Gosling, Beverly Hawkins, 2023. A global, multi-faceted and applied introduction to leadership which considers individual, organizational, and societal perspectives. Providing a robust and engaging overview of the leadership field, *Exploring Leadership* is a highly practical and insightful guide that supports the personal and professional development of both aspiring and experienced leaders. Investigating the complex dynamics of power, identity, and purpose in organizations and wider society, this essential resource critically examines significant global issues such as diversity and inclusion, the environmental crisis, and the recent Covid-19 pandemic to reveal the systemic nature of leadership in a complex and ever-changing world. Fascinating topics are brought to life through a variety of international examples and case studies, such as ancestral leadership in Maori communities, consideration of Ukrainian president Volodymyr Zelensky as a transformational leader, and leadership paradoxes in the Singaporean Civil Service. Individual and group exercises will also stimulate you as an emerging leader as you consider how you may apply the key theoretical concepts in your future careers.
