Macroeconomics, Student Value Edition
 Michael Parkin, 2011-01-19
 Parkin's *Macroeconomics* is a worldwide leader because it provides a serious analytical approach to the discipline using the latest policy and data
 Parkin trains students to think like economists by offering a clear introduction to theory and applying the concepts to today's events, news, and research
 From our global food shortage to global warming, economic issues permeate our everyday lives
 Parkin brings critical issues to the forefront
 Each chapter begins with one of today's key issues, and additional issues appear throughout the chapter to show the real-world applications of the theory being discussed
 When the chapter concludes, students read between the lines to think critically about a news article relating to the issue, demonstrating how thinking like an economist helps make informed decisions
