## **Making Requests With Modals American English:**

**Making Requests by Chinese EFL Learners** Vincent X. Wang, 2011 Requests a speech act people frequently use to perform everyday social interactions have attracted particular attention in politeness theories, pragmatics and second language acquisition. This book looks at request behaviours in a significant EFL population: Chinese speaking learners of English. It will draw on recent literature such as politeness theories and cognitive models for interlanguage pragmatics development as well as placing special emphasis on situational context and formulaic language to provide a more fine grained investigation. A range of request scenarios has been specifically designed for this project from common service encounters to highly face threatening situations such as borrowing money and asking a favour of a police officer. Our findings on Chinese style pragmatic behaviours and patterns of pragmatic development will be of value to cross cultural pragmatics researchers, TESOL professionals and university students with an interest in this area of study.

**Requests in American and British English** Ilka Flöck, 2016-08-25 This volume encompasses a thorough examination of the use of request strategies on two contrastive dimensions. On the cross cultural dimension it compares the use of British and American English request strategies in naturally occurring informal conversations. The conversational data are retrieved from the International Corpus of English (ICE) and the Santa Barbara Corpus of Spoken American English. On the methodological dimension it systematically compares request strategies and their frequency distributions in the conversational data to questionnaire based requests. Highlighting various instrument induced effects, the volume challenges the validity of one of the most widely used and accepted data collection tools in pragmatics research, the DCT. The extensive data analysis contained in the volume includes a wide range of linguistic variables including mitigating and aggravating modification strategies and their interaction with head act directness levels. While it focuses on the first pair part, the book also offers an analysis of request responses from a cross cultural perspective. The findings of the study contribute new insights to research on requests, politeness, variational pragmatics and general research methodology.

**The Pragmatics of Requests and Apologies** Elizabeth Flores Salgado, 2011-09-07 The purpose of this research is to analyse the pragmatic development of language groups at different proficiency levels and to investigate the relationship between interlanguage pragmatics and grammatical competence. For this study 36 native Spanish speaking EFL learners at different proficiency levels were asked to respond in English to 24 different situations that called for the speech acts of request and apology. Results showed three important aspects. The first finding suggested that basic adult learners possess a pragmatic knowledge in their L1 that allows them to focus on the intended meaning and in most cases to assemble an utterance that conveys a pragmatic intention and satisfies the communicative demands of a social situation. The second finding revealed that there are two essential conditions to communicate a linguistic action: the knowledge of the relevant linguistic rules and the knowledge of how to use them appropriately and effectively in a specific context. The findings further suggested that advanced learners possess the

grammatical knowledge to produce an illocutionary act but they need to learn the specific L2 pragmatic conventions that enable them to know when to use these grammatical forms and under which circumstances      **Grammar in Everyday Talk** Sandra A. Thompson, Barbara A. Fox, Elizabeth Couper-Kuhlen, 2015-06-04 Drawing on everyday telephone and video interactions this book surveys how English speakers use grammar to formulate responses in ordinary conversation The authors show that speakers build their responses in a variety of ways the responses can be longer or shorter repetitive or not and can be uttered with different intonational melodies Focusing on four sequence types responses to questions What time are we leaving Seven responses to informings The May Company are sure having a big sale Are they responses to assessments Track walking is so boring Even with headphones It is and responses to requests Please don't tell Adeline Oh no I won't say anything they argue that an interactional approach holds the key to explaining why some types of utterances in English conversation seem to have something missing and others seem overly wordy      Grammar for Teachers Andrea DeCapua, 2008-01-11 Grammar for Teachers A Guide to American English for Native and Non Native Speakers is a result of my frustrations over many years of teaching graduate level structure courses and not being able to find an appropriate grammar text for the pre and in service teachers enrolled in these classes The students in these courses have represented a variety of teaching backgrounds ESL and EFL teachers native and non nativespeakers of English and mainstream content area teachers with ESL students in their classes to name a few Some of these students have had a strong knowledge of English grammar but often have difficulties in applying their knowledge to real life discourse Other students exposure has been limited to lessons in correctness and are generally unaware of which language features are central to teaching ESL EFL learners Some students are resistant to taking this course but are required to do so whether to satisfy specific degree requirements for state or professional certification or for other reasons A few students have had some linguistics many not The challenge has been finding a way to convey the essentials of American English grammar clearly to engage students actively in their own learning and understanding of grammar as applicable to ESL EFL learners and to motivate them to undertake perceptive analyses of grammatical elements and structures and of ESL EFL learner needs and difficulties The overall aim of Grammar for Teachers is to make grammar accessible and comprehensible      *English Texts And Brain Teasers* Ana Pinto, Victoria Alcalde, 1993-07      American Legal English, 2nd Edition Debra S. Lee, Charles Hall, Susan M. Barone, 2007-09-17 Students can become familiar with legal syntax and legal vocabulary in this introduction to basic legal information and the U S legal system      **Interlanguage Request Modification** Maria Economidou-Kogetsidis, Helen Woodfield, 2012-04-11 This is the first edited volume dedicated specifically to interlanguage request modification It is a collection of empirical studies carried out by an international array of scholars which provides insights for researchers graduate students and language teachers on patterns of interlanguage request modification in a range of research contexts and linguistic cultural settings The research in this volume takes the reader from a consideration of interlanguage request

modification in naturally occurring e mail data through to elicited data from e DCT questionnaires on cyber consultations to the interactive oral discourse of requests in open role plays As a whole the contributions incorporate research with learners from a range of proficiency levels and from diverse linguistic cultural backgrounds while the chapters individually examine developmental aspects of interlanguage request modification requests in electronic contexts comparative learner native speaker requests and instructional effects on mitigation The book will undoubtedly become an important reference for researchers and teachers not only in the field of pragmatics but also in second language acquisition language teaching socio linguistics and discourse analysis

Berman,2023 This book explores how schoolchildren and adolescents employ language in different communicative settings The authors demonstrate how language development is affected by the language and culture in which it evolves and use brain studies to provide a deeper explanation of developmental changes in language behavior      English Grammar: The Basics Michael McCarthy,2021-05-25 English Grammar The Basics offers a clear non jargonistic introduction to English grammar and its place in society Rather than taking a prescriptive approach this book helps the reader become aware of the social implications of choices they make to use standard or non standard regional dialect forms Readers will consider what grammar is and how it fits into the structure of language how grammar functions in the school curriculum the press broadcasting and social media as well as how these outlets reflect and reinforce our attitudes towards grammar differences between speech and writing as well as between formality and informality major different approaches to theorising and

describing grammar from important grammarians including Noam Chomsky and Michael Halliday Featuring a glossary of key terms and practical tips and insights from the author s 50 years of language teaching experience around the world this book is for anyone who has ever found themselves questioning the rules of the English language **Forum** ,1987 ENGLISH (2019 TGT/PGT/GIC/LT) YCT EXPERT TEAM, 2019 TGT PGT GIC LT ENGLISH CHAPTER WISE SOLVED PAPERS **The Grammar of Autobiography** Jean Quigley,2000-05 This monograph explores in detail the modal auxiliaries used in children s autobiographical narratives uses the results of this analysis to put forward a theory of identity devt as reflected in narrative For developmentalists linguists Business Benchmark Upper Intermediate Business Vantage Student's Book Guy Brook-Hart,2013-01-24 Business Benchmark Second edition is the official Cambridge English preparation course for Cambridge English Business Preliminary Vantage and Higher also known as BEC and BULATS A pacy topic based course with comprehensive coverage of language and skills for business it motivates and engages both professionals and students preparing for working life The Business Vantage Student s Book contains authentic listening and reading materials including interviews with business people providing models for up to date business language Grammar and vocabulary exercises train students to avoid common mistakes identified using Cambridge s unique collection of real exam candidates answers Grammar workshops practise grammar in relevant business contexts A BULATS version of this Student s Book is also available Business Benchmark Upper Intermediate BULATS Student's Book Guy Brook-Hart,2013-01-24 La 4e de couverture indique Business Benchmark Second edition is the official Cambridge English preparation course for BULATS A pacy topic based course with comprehensive coverage of language and skills for business it motivates and engages both professionals and students preparing for working life Modality in Contemporary English Roberta Facchinetti, Frank Palmer, Manfred Krug,2012-02-13 This book offers original theoretical accounts and a wealth of descriptive information concerning modality in present day English At the same time it provides fresh impetus to more general linguistic issues such as grammaticalization colloquialization or the interplay between sociolinguistic and syntactic constraints The articles fall into four sections a the semantics and pragmatics of core modal verbs b the status of emerging modal items c stylistic variation and change d sociolinguistic variation and syntactic models The book is of considerable value to students and teachers of English and Linguistics at undergraduate and graduate level worldwide Usage-based and Typological Approaches to Linguistic Units Tsuyoshi Ono, Ritva Laury, Ryoko Suzuki,2021-04-15 The chapters in this volume focus on how we might understand the concept of unit in human languages It is an analytical notion that has been widely adopted by linguists of various theoretical and applied orientations but has recently been critically examined by both typologically oriented and interactional linguistics This volume contributes to and extends this discussion by examining the nature of units in actual usage in a range of genetically and typologically unrelated languages English Finnish Indonesian Japanese and Mandarin engaging with fundamental theoretical issues The chapters show that categories originally created for the description of Indo

European languages have limited usefulness if our goal is to understand the nature of human language in general. The authors thus question the status of traditionally accepted linguistic units especially their static understanding as a priori entities and suggest instead that an emergent and interactional view of both structure and function offers a better fit with the data from the languages examined. Originally published as special issue 43 2 2019 of *Studies in Language* **Abs**, **How to Communicate in American English** Salim Khan Anmol, 2020-11-10. *How to Communicate in American English* New Edition is a recently launched book of Sakha Global Books Inc publication to hold good command over English language. ## Making Requests With Modals American English Introduction

In the digital age, access to information has become easier than ever before. The ability to download Making Requests With Modals American English has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making Requests With Modals American English has opened up a world of possibilities. Downloading Making Requests With Modals American English provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Requests With Modals American English has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Requests With Modals American English. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Requests With Modals American English. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making Requests

With Modals American English, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Making Requests With Modals American English has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Making Requests With Modals American English Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Requests With Modals American English is one of the best book in our library for free trial. We provide copy of Making Requests With Modals American English in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Requests With Modals American English. Where to download Making Requests With Modals American English online for free? Are you looking for Making Requests With Modals American English PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Making Requests With Modals American English. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this.
