Class Dynamics in Later Life Marvin Formosa,2009 Class Dynamics in Later Life examines the extent that older persons despite their estrangement from the

productive process are still dynamically engaged in class structuring and action. It argues that class remains a key differentiating factor in older people's lives. Contrary to conventional assumptions which presuppose that class mobility cannot occur unless retirees re-enter the labour market, the book argues that class formation is truly alive and kicking in later life.

Family Formation Among Youth in Europe Mirza Emirhafizovic, Tali Heiman, Marton Medgyesi, Catarina Pinheiro Mota, Smiljka Tomanovic, Sue Vella, 2022-06-01. This book, which has been created in the framework of the EU-funded COST Action YOUNG IN CA17114, sheds a light on the structural disadvantages and opportunities in family formation among youth, offering an insight into the relevant contextual factors in eleven countries. Analyzing demographic trends and socioeconomic settings including normative and institutional frameworks that focus on family policies, the authors have identified and presented the peculiarities of the transition to parenthood as well as common challenges that young people face in that process. Endorsements: Gathering rich and novel information from 11 European countries that have been so far neglected in family formation studies, this volume is an enlightening reading for policy makers, social policy students, and young people themselves. Anu Toots, Tallinn University, Estonia, and COST Action YOUNG IN. This book brings together scholars from all over Europe to provide an updated account of demographic change and family formation in Europe. The book is quite impressive both in its scope and depth and should be an essential read for those interested in the demographic challenges that our countries are facing. Johannes Bergh, Institute for Social Research, Oslo, Norway.

Public Service Reforms in a Small Island State Frank Bezzina, Emanuel Camilleri, Vincent Marmarà, 2021-07-30. This book provides a detailed examination of public service reforms in Malta. Focusing on both the trajectory and substance of the reforms, the volume provides a holistic treatment of the public sector in the European Union's smallest member state. The book is divided into four parts. Part I covers the historical background of public service administration and management in Malta from the 1500s to the 2010s. Part II focuses on recent reforms begun in 2013 after the election of Prime Minister Joseph Muscat. Each chapter in this part addresses a particular reform theme: transparency and accountability, civil service systems, and HR management, service delivery, and digitalisation, organisation and management of government reforms, policy making, coordination, and implementation. Part III investigates the internal and external impact of

the reforms reporting and analyzing the results of a survey carried out among government employees and the Maltese population The book concludes with a chapter on global reform trends that are likely to impact public service delivery in the future Providing an in depth view of public service in a small island state this volume will be useful to researchers and students interested in public sector management administration and public policy as well as practitioners consultants and government employees
