Love on the Lifts, 2015 **Love** Barbara H. Rosenwein, 2021-09-21 We make sense of love with fantasies stories that shape feelings that are otherwise too overwhelming incoherent and wayward to be tamed For love is a complex bewildering and ecstatic emotion covering a welter of different feelings and moral judgments Drawing on poetry fiction letters memoirs and art and with the aid of a rich array of illustrations historian Barbara H Rosenwein explores five of our most enduring fantasies of love like minded union transcendent rapture selfless giving obsessive longing and insatiable desire Each has had a long and tangled history with lasting effects on how we in the West think about love today Yet each leads to a different conclusion about what we should strive for in our relationships If only we could peel back the layers of love and discover its true essence But love doesn't work like that it is constructed on the shards of experience story and feeling shared over time intertwined with other fantasies By understanding the history of how we have loved Rosenwein argues we may better navigate our own tumultuous experiences and perhaps write our own scripts

The New Kind of Love E. W. Kenyon, 2025-07-15 The two greatest forces in the world today are love and selfishness Natural human love has failed because it is based upon selfishness Does God have a solution for this problem We believe that He has It is The New Kind of Love that has been overlooked by the church but has recently been rediscovered This book unveils the new kind of love that Jesus brought to the world This love comes into a barren life and makes it blossom as a rose It takes away the hardness and bitterness of life There will be no empty lives no barren lives Every life may become a garden of delight God has made it possible To walk in love is actually to live in God It is the realm where the Word dominates where faith functions Faith grows in the atmosphere of love It becomes a dominating and creative force when love really rules This new kind of love agape was born in the realm of divine revelation It is a deep and profound sacrificial love that transcends and persists regardless of circumstances

Conjugal Love: Our Path of Return Clayten Tylor,2019-03-04 Conjugal love is the Divine as a feeling It is the spiritual heat and light of every soul It is the feeling of gratitude to the Universe together with the feeling of mutual love to the neighbor To receive conjugal love requires that we first will the affection of love upwards and outwards In this way we expand our sense of self to get a glimpse of the feeling of the four fold rhythm of Divine order Once the sensual rhythm of Divine order has been established as the feeling of love it purifies our feeling of self of its identification and attachment with the physical body This new spiritual perspective transforms our sense of self from personality to individuality which then awakens the feeling of conjugal love The feeling of conjugal love is our Path of Return Within the flow of the feeling of conjugal love we can sense our spiritual self first as the feeling of profound peace but then as higher states of love as feelings of being infinite and eternal
