Male Daughters Female Husbands Gender And Sex In An African Society:

Male Daughters, Female Husbands Professor Ifi Amadiume, 2015-03-12 In 1987 more than a decade before the dawn of queer theory Ifi Amadiume wrote *Male Daughters Female Husbands* to critical acclaim This compelling and highly original book frees the subject position of husband from its affiliation with men and goes on to do the same for other masculine attributes dislocating sex gender and sexual orientation Boldly arguing that the notion of gender as constructed in Western feminist discourse did not exist in Africa before the colonial imposition of a dichotomous understanding of sexual difference *Male Daughters Female Husbands* examines the structures in African society that enabled people to achieve power showing that roles were not rigidly masculinized nor feminized At a time when gender and queer theory are viewed by some as being stuck in an identity politics rut this outstanding study not only warns against the danger of projecting a very specific Western notion of difference onto other cultures but calls us to question the very concept of gender itself *Male Daughters, Female Husbands : Gender and Sex in an African Society*, 1987

Gender and Sexuality in Ghanaian Societies Martha Donkor, Amoaba Gooden, 2022-09-01 *Gender and Sexuality in Ghanaian Societies* explores cultural dynamics embedded in the interstices of agency vulnerability and power within patriarchal structures that seek to regulate the sexual lives of women in Ghana Emphasizing the centrality of gender as a motive force for sexual expression the book stresses that contemporary Ghanaian women's sexual expressions are caught at the intersection of traditional gender expectations of heteronormativity and women's perceptions of how heteronormativity should operate in their lives The book's emphasis on women's agency is significant because it highlights a flaw in earlier Western accounts of African women's lives under Africa's special brand of patriarchy that held women in total subjection to men *Gender and Sexuality* debunks that trope and presents Ghanaian women's dynamism resilience and vulnerabilities embedded in the diverse cultures in which they live *Africa After Gender?* Catherine M. Cole, Takyiwaa Manuh, Stephan Miescher, 2007-02-07 *Africa After Gender* looks at Africa now that gender has come into play to consider how the continent its people and the term itself have changed Leading Africanist historians anthropologists literary critics and political scientists move past simple dichotomies entrenched debates and polarizing identity politics to present an evolving discourse of gender *Queer Religion* Donald Boisvert, Jay E. Johnson, 2011-12-13 This ground breaking and eye opening book examines the intersections of religion and same sex desire from St Augustine to Hinduism to contemporary LGBT and queer culture *Queer Religion* provides a systematic and detailed overview of the challenges and issues that the intersections of religion same sex desire and gender variance have generated both now and in the past It focuses upon the development of these areas of overlap through three distinct historical periods modern religious history LGBT liberation movements and the emergence of queer theory and analysis This two volume collection of eclectic essays investigates the experiences of queer people and religion providing a broad unique and invaluable analysis of this important cultural and theological encounter As a group the contributors offer brave insights and

diverse perspectives on a variety of topics dealing with religion same sex desire and gender expression Some of these essays are explicitly historical in focus or scholarly articles while others provide autobiographical viewpoints and personal reminiscences This book provides a comprehensive look at the queer dimensions of religious practice and belief essential reading for religious scholars those within the LGBT community and anyone interested in human spirituality and sexuality

Adapting Gender and Development to Local Religious Contexts Romina Istratii,2020-10-01 This book provides a critical and decolonial analysis of gender and development theory and practice in religious societies through the presentation of a detailed ethnographic study of conjugal violence in Ethiopia Responding to recent consensus that gender mainstreaming approaches have failed to produce their intended structural changes Romina Istratii explains that gender and development analytical and theoretical frameworks are often constructed through western Euro centric lenses ill equipped to understand gender related realities and human behaviour in non western religious contexts and knowledge systems Instead Istratii argues for an approach to gender sensitive research and practice which is embedded in insiders conceptual understandings as a basis to theorise about gender assess the possible gendered underpinnings of local issues and design appropriate alleviation strategies Drawing on a detailed study of conjugal abuse realities and attitudes in two villages and the city of Aksum in Northern Ethiopia she demonstrates how religious knowledge can be engaged in the design and implementation of remedial interventions This book carefully evidences the importance of integrating religious traditions and spirituality in current discussions of sustainable development in Africa and speaks to researchers and practitioners of gender religion and development in Africa scholars of non western Christianities and Ethiopian studies and domestic violence researchers and practitioners

Women in Africa Toyin Falola,OlaJumoke Yacob-Haliso,2025-05-22 This book introduces readers to the rich and diverse experiences of women across the African continent covering their socio cultural political and economic realities from the precolonial era right up to the modern day In many precolonial African societies women were empowered and considered to be important participants in the social structures and political systems that managed their communities but during the colonial era women were often marginalized Now across the continent women are reasserting their agency This book explores the various ways in which gender has been constructed in different African cultures across history and how this has impacted the lived experiences of women The book encompasses a broad range of topics including history health sexualities gender based violence motherhood education economic activities science and technology religion popular culture politics peacebuilding feminism literature social media and migration Engaging and compelling this book invites us to think again about the changing roles identities and contributions of African women across time and space It is the perfect introduction for any student of gender or African studies as well as for anyone looking for a reader friendly guide to the subject

Gender, Ethnicity, and Violence in Kenya's Transitions to Democracy Lyn Ossome,2018-04-02 Critiquing the valorization of democracy as a means of containing violence and stabilizing political contestation this book draws links

between the democratization process and sexual gendered violence observed against women during electioneering periods in Kenya. The book shows the contradictory relationship between democracy and gendered violence as being largely influenced in the first instance by the capitalist interests vested in the colonial state and its imperative to exploit laboring women; secondly in the nature of the postcolonial state and politics largely captured by ethnic bourgeois class interests; and third, influenced by neoliberal political ideology that has remained largely disarticulated from women's structural positions in Kenyan society. It argues that colonial capitalist interests established certain patterns of gender exploitation that extended into the postcolonial period such that the indigenous bourgeoisie took the form of an ethnicized elite. Ethnicity shaped politics and neoliberal political ideology further blocked women's integration into politics in substantive ways. It concludes that it is not so much the norms and values of liberal democracy that assist in understanding women's exclusion but rather the structural dynamics that have shaped women's experiences of democratic politics. In this way, gender violence in the context of democratization and electoral violence with its gendered manifestation can be fully understood as deeply embedded in the history of the structural dynamics of colonialism, capitalism, and patriarchy in Kenya.

The Odyssey of the Nigerian Woman Oluwakemi Abiodun Adesina, Aisha Balarabe Bawa, Mutiat Titilope Oladejo, 2023-12-07. This book explores the roles that Nigerian women have played since pre-colonial times in shaping the culture, customs, and values of the different societies that now constitute parts of the modern Nigerian state. The contributions gathered here provide engaging explanations of different aspects of Nigerian life, highlighting the effects of patriarchy, colonialism, industry, and international policies on women in Africa's most populous country. This book represents a major contribution to African women's history and gender studies globally and will appeal to students and scholars of women's history and gender interested in understanding life and its challenges in the Global South.

Readings in Sexualities from Africa Rachel Spronk, Thomas Hendriks, 2020-02-04. Images and stories about African sexuality abound in today's globalized media. Frequently, old stereotypes and popular opinion inform these stories, and sex in the media is predominately approached as a problem in need of solutions and intervention. The authors gathered here refuse an easy characterization of African sexuality and instead seek to understand the various erotic realities, sexual practices, and gendered changes taking place across the continent. They present a nuanced and comprehensive overview of the field of sex and sexuality in Africa to serve as a guide through the quickly expanding literature. This collection offers a set of texts that use sexuality as a prism for studying how communities coalesce against the canvas of larger political and economic contexts and how personal lives evolve therein. Scholars working in Africa, the U.S., and Europe reflect on issues of representation, health, and bio-politics, same-sex relationships, and identity, transactional economies of sex, religion, and tradition, and the importance of pleasure and agency. This multidimensional reader provides a comprehensive view of sexuality from an African perspective.

Readings for Diversity and Social Justice Maurianne Adams, 2000. These essays include writings from Cornel West, Michael Omi, Audre Lorde, Gloria Anzaldúa, and Michelle Fine.

The essays address the multiplicity and scope of oppressions ranging from ableism to racism and other less well known social aberrations
