Customer Service Emmanuel Danstan Chinunda, 2013-11-29. Customer Service: The Kingpin of Business Success in Africa is a must read as it communicates how the power of customer service can revolutionise business on the African continent. The book uses proverbs and wise sayings to captivate the reader into action. The book captures both the African and Western experience to position the reader as a global player in the world of customer service. The book is a change agent and provides a platform how customer service can transform the African continent. The uniqueness of the book is that it uses both Western and African proverbs to help the reader to gain insight into the African culture. It stresses, motivates, and inspires the reader to bring revolution to his or her world of service. You will surely bring transformation to your world after mastering the mysteries buried in this book. Its concepts are simple and easy to follow and drive you into business success.

Leadership, Change and Responsibility Silvio deBono, Beatrice van der Heijden, Joop Remme, Stephanie Jones, 2008-02. Leadership, change, responsibility. There is a reason these topics always seem to occur in unison because they are inextricably linked to one another both in theory and in practice. Strong, effective leadership is becoming increasingly important because of the challenges that arise in all aspects of work and life; these challenges are often characterized by change or the need for change, which in turn creates a sense of responsibility. This thoroughly researched volume brings together the collected wisdom of a number of experts to present readers with the most recent research and cutting edge insights into this increasingly important area. Business Voyages Richard John Stapleton, 2010-05-06. Business Voyages is not a business

fairy tale Much of it really happened Don't read this book if you are looking for simple answers and magic formulas Although the book includes some concepts and techniques anyone should know about people and business it does not promise success Business Voyages is problem oriented presenting some of the problems encountered by the author and others on their business voyages while explaining tools and processes anyone can use for analyzing and dealing with inevitable problems that will be encountered in any business world Business Voyages is also opportunity oriented showing the reader how one might embark on a business venture at the right time and place and enjoy the winnings of a successful voyage *Rethinking Management* Boris Kaehler, Jens Grundei, 2025-08-27 The concept of management is well established and very familiar to scholars and practitioners alike However it is also very generic with no agreed upon definition and no consistency in the demarcation between it and its sub concepts and other similar terms Building on an in depth analysis of literature this book establishes a precise understanding of management and systematically integrates its sub concepts of organization governance strategic management human resource management leadership and organizational culture It thus provides a clear theoretical and conceptual framework helping researchers to theorize and practitioners to implement corporate management models
