Weygandt's Managerial Accounting Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2017-09-05 *Weygandt's Managerial Accounting* provides students with a clear introduction to fundamental managerial accounting concepts. This edition helps students get the most out of their accounting course by making practice simple. Designed for a one semester undergraduate Managerial Accounting course, the authors provide new opportunities for self-guided practice, allowing students to check their knowledge of accounting concepts, skills, and problem-solving techniques, and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating clear connections between the reading and video content and the practice homework and assessment questions. Using metric units and companies with a more global feel, this new text is ideal for courses across the world.

Financial & Managerial Accounting Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2015-01-07 *Financial and Managerial Accounting* 2nd Edition provides students with a clear introduction to fundamental accounting concepts. The Second Edition helps students get the most out of their accounting course by making practice simple. Both in the print text and online in WileyPLUS with ORION, new opportunities for self-guided practice allow students to check their knowledge of accounting concepts, skills, and problem-solving techniques, and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating a clear connections between the reading and video content and the practice homework and assessments questions. *Weygandt Financial and Managerial Accounting* is ideal for a two semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts and learn the accounting cycle from a corporate perspective. This program begins by introducing students to the building blocks of the accounting cycle and builds to financial statements. WileyPLUS with ORION is sold separately from the text.

Managerial Accounting Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, Ibrahim M. Aly, 2018-05-28 *Managerial Accounting* teaches students the fundamental concepts of managerial accounting in a concise and easy-to-comprehend fashion. Stimulating review materials at the end of each section help students develop their decision-making skills. Students are provided the tools and guidance to take more initiative in their learning, making them more engaged, more prepared, and more confident.
