Managing Harold Geneen:

Managing Harold Geneen, Alvin Moscow, 1993-01-01 **Managing Across Borders** Christopher A. Bartlett, Sumantra Ghoshal, 2002 Offers insights into the management of companies operating in an international environment This book describes the emergence of a revolutionary corporate form the transnational and reveals how the nature of the global competitive game has fundamentally changed **The Best Business Books Ever** Perseus Publishing, 2003-07-10 From The Art of War to Being Digital the 100 books that have shaped management thinking and practice Managing for People Who Hate Managing Devora Zack, 2012-08-27 Professional success more often than not means becoming a manager Yet nobody prepared you for having to deal with messy tidbits like emotions conflicts and personalities all while achieving ever greater goals and meeting ever looming deadlines Not exactly what you had in mind is it Don't panic Devora Zack has the tools to help you succeed and even thrive as a manager Drawing on the Myers Briggs Type Indicator Zack introduces two primary management styles thinkers and feelers and guides you in developing a management style that fits who you really are She takes you through a host of potentially difficult situations showing how this new way of understanding yourself and others makes managing less of a stumble in the dark and more of a walk in the park Her enlightening examples helpful exercises and lifesaving tips make this book the new go to guide for all those managers looking to love their jobs again Managing for Success Morgen Witzel, 2015-04-23 The damage that incompetent managers do is incalculable Every year they wipe tens of billions off the value of companies around the world But the routinely incompetent behaviour that leads to failure is often covered up incompetent managers are paid off and the causes of failure are swept under the carpet Yet most of these failures could have been avoided if only we knew how to spot the signs of incompetence in advance and take steps to prevent it happening Prevention is always better and cheaper than cure Morgen Witzel tackles the problem of incompetence in the round by exploring the political cultural psychological and personal factors that lead to incompetency at every level of business Arrogance excessive reliance on formal plans and metrics lack of professional pride and poor and misguided business education and training are among the problems that drag businesses down Using international case studies from Ford Motor Company Royal Ahold and Lehman Brothers practical solutions are provided for avoiding incompetence by changing the culture within organizations and the ways in which managers are trained and developed to truly manage for success and minimise failure Managing Radical Change Sumantra Ghoshal, Gita Piramal, Christopher A. Bartlett, 2002 What Indian Companies Must Do To Become World Class An Invaluable Roadmap For Indian Executives Who Strive To Excel Winner Of The DMA Escorts Book Award 2000 Managing Radical Change What Indian Companies Must Do To Become World Class Looks At What Companies In India Must Do To Rank Among The Best In Their Strategy Organization And Management The Authors Internationally Acclaimed Management Gurus Sumantra Ghoshal And Christopher A Bartlett And Industry Insider Gita Piramal Say That Managers Are Aware Of The Need For A Radical Response To The Problems And Challenges

Posed By The New Competitive Technological And Market Demands In India But Believing That Change Can Come Only By Degrees They Hesitate To Initiate Action The Key Purpose Of This Book Is To Make Managers Believe That Radical Performance Improvement Is Possible Ghoshal Piramal And Bartlett Feel That Managers Are The Best Teachers Of Managers And So Managing Radical Change Is A Distillation Of Lessons Offered By People As Diverse As N R Narayana Murthy And Brijmohan Lall Munjal Keki Dadiseth And Dhirubhai Ambani Azim Premji And Rohinton Aga Lakshmi Niwas Mittal And Subhash Chandra Rahul Bajaj And Parvinder Singh There Is A Wealth Of Information On The Best Companies In India And Worldwide Among Them Infosys Wipro Reliance Hindustan Lever Ge And Abb Lucidly Written And Brilliantly Argued Managing Radical Change Is Perhaps The Most Significant Contribution To Indian Management Literature In Recent Times

Managing Complex Systems Howard Eisner, 2011-01-06 Nine innovative methods to think outside the box and solve complex system problems Managing Complex Systems provides specific tools and guidance needed to be a more creative and innovative thinker Following the author's methodology the reader will be better able to devise and implement nontraditional solutions to seemingly intractable complex problems By challenging the reader to think in new and creative ways the book offers a road map to success whether measured in terms of competitive advantage greater market share improved productivity or higher profits all based upon better solutions to difficult problems The first four chapters set the foundation for creative thinking by exploring the nature of large scale systems and complexity thinking inside and outside the box and examples of how an inventive mind solves problems in both management and scientific domains Subsequent chapters address nine focused methods that the author has formulated to help the reader think outside the box Broaden and generalize Crossover Question conventional wisdom Back of the envelope Expanding the dimensions Obversity Remove constraints Thinking with pictures Systems approach Real life examples are provided for each method that demonstrate how the approach enhances problem solving and decision making in system development and management Following the discussion of the nine methods the author examines group decision making as well as additional creative thinking procedures devised by other researchers including references that assist in exploring these methods in greater detail The author ends with a wrap up chapter that includes a test to help readers practice their tendencies toward creative thinking skills and action with respect to solving real world problems The nine methods discussed in this book have broad applicability and can be used successfully by managers with a wide range of responsibilities in business and technology For anyone who is tired of the same old approach with the same old results this book is essential reading **Managers Managing** Jane

Hannaway, 1989-03-23 Managers face a complex and seemingly overwhelming set of decisions in their work lives Investigating exactly what managers do on the job this study presents a wealth of new evidence to analyze why managers act in the ways they do what influences their focus of attention and which issues and other actors in an organization they tend to find attractive and which they tend to avoid In short it describes how managers in the real world make decisions

Managing the Merger Philip H. Mirvis, Mitchell Lee Marks, 2003 Two veteran merger and acquisition mavens take readers behind the scenes to examine successful and poorly managed corporate mergers to show what is required to achieve the best strategic organizational and cultural fit between any two companies They outline steps to take before during and after

Managing With Power Jeffrey Pfeffer, 1993-11-12 Although much has been written about how to make better decisions a decision by itself changes nothing The big problem facing managers and their organizations today is one of implementation how to get things done in a timely and effective way Problems of implementation are really issues of how to influence behavior change the course of events overcome resistance and get people to do things they would not otherwise do In a word power Managing With Power provides an in depth look at the role of power and influence in organizations Pfeffer shows convincingly that its effective use is an essential component of strong leadership With vivid examples he makes a compelling case for the necessity of power in mobilizing the political support and resources to get things done in any organization He provides an intriguing look at the personal attributes such as flexibility stamina and a high tolerance for conflict and the structural factors such as control of resources access to information and formal authority that can help managers advance organizational goals and achieve individual success

Managing Crisis Gerald C. Meyers, John Holusha, 2018-04-17. First published in 1986, Gerald C. Meyers believes that a crisis in business, as in life, is often foreseeable. He also believes that it can be managed, offering an unprecedented opportunity for positive change in a company. If you are to succeed in business today, you must learn to manage rapid change; you must learn to manage crisis. Meyers has developed a plan for practical crisis management. He explains the stages of a business crisis and then details nine common types, incorporating case histories from 31 instructive corporate upheavals and the comments of the executives who went through them. Finally, the author offers ways to minimise the impact of these crises. He lists step-by-step procedures to employ in each case and gives advice on forming a crisis management team and developing early warning systems.
