Facets of Corporate Governance and Corporate Social Responsibility in India Harpreet Kaur, 2021-02-05. This book focuses on the legal and social aspects of corporate governance through doctrinal and empirical research papers presented at the 9th International Conference on Governance Fraud Ethics and Social Responsibility held at National Law University Delhi in 2018. The papers encompass the internal and external factors that affect the interests of a company's stakeholders including shareholders, customers, suppliers, government regulators and management and several other important players. The book provides better clarity on the concept of corporate governance and how it is intertwined with factors such as sustainability, social responsibility and the role of government, taxation and audit and shareholder engagement.

OECD Public Governance Reviews Brazil's Federal Court of Accounts Insight and Foresight for Better Governance OECD, 2017-08-07. This report suggests concrete steps Brazil's Federal Court of Accounts can take to adapt its own strategies, approaches and audit programming to provide valuable insight and foresight to policy makers in the centre of government.

Corporate Fraud and Internal Control, + Software Demo Richard E. Cascarino, 2012-11-28. Essential guidance for companies to examine and improve their fraud programs. Corporate governance legislation has become increasingly concerned with the ongoing resilience of organizations and particularly with their ability to resist corporate fraud from the lowest levels to the upper echelons of executive management. It has become unacceptable for those responsible for corporate governance to claim 'I didn't know'. Corporate Fraud and Internal Control focuses on the appropriateness of the design of the system of internal controls in fraud risk mitigation as well as the mechanisms to ensure effective implementation and monitoring on an ongoing basis. Applicable for a wide variety of environments including governmental, financial, manufacturing and e-business sectors. Includes case studies from the United States, Europe and Africa. Follows the standards laid down by the Association of Certified Fraud Examiners, the internationally recognized body governing this activity. Accompanying interrogation software demo. Software demo is not included as part of this book's e-book file but is available for download after purchase. Written by a fraud prevention leader. Corporate Fraud and Internal Control addresses the concerns of both management and audit in ensuring a demonstrable level of activity to ensure sustainability of the organization and minimization of the impacts of fraud upon early detection.
