

Introduction

The Deutsche Bank logo is designed to portray growth in a stable environment. It was created for us in 1972 by the celebrated German artist and designer Anton Stankowski.

The logo has become synonymous with Deutsche and is the purest visual embodiment of who we are.

Our brand recognizes the singular strength and uses the logo with confidence.

The logo is the foundation of our entire visual identity, giving inspiration and dimension to other brand communication elements, such as the logo mark and the grid system.

The logo is our most important visual asset, providing both a legal trademark and a guarantee of quality.
