Disciples In Action:

Disciples in Action LeRoy Eims, 1981 *Disciples in Action* Activelife Ministries, Sword Productions, **Making Disciples** Sylvia Wilkey Collinson, 2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community **Biblical Principles of Leading and Managing Employees** Bruce E. Winston, 2018-05-17 This book examines the scriptural concepts that apply to leading and managing people It begins with a chapter that contrasts leaders managers and administrators and the roles they each play The book then presents the seven virtues from the Beatitudes and how these virtues result in leaders and managers behaviors The book then reviews the 15 characteristics of what love is and what love is not from the 1 Corinthians 12 passage The book presents the four modalities of leaders as conveyed in the Ezekiel 1 and 10 chapters as well as Revelations 4 where Ezekiel and John describe the four faces of the winged beings The modalities are described in terms of contemporary leaders interacting with employees in the workplace A chapter follows based on the Parable of the Vineyard and how leaders should provide a minimum living wage The book then compares the wife in Proverbs 31 to a good leader manager in today s contemporary organization The book ends with an admonition from Ecclesiastes 3:1 about the need for leaders managers to step away and not meddle when the leader manager s role is finished Throughout the book composite case examples provide practical application of the concepts to contemporary organizations *KJV Standard Lesson Commentary*® 2017-2018 Standard Publishing, 2017-06-01 As the nation s most popular annual Bible commentary for more than 2 decades the Standard Lesson Commentary provides 52 weeks of study in a single volume and combines thorough Bible study with relevant examples and questions The KJV SLC Paperback Edition is perfect as the primary resource for an adult Sunday school class and personal study or as a supplemental resource for any curriculum that

Diving into the Gospel of John Bruce R. Reichenbach, 2023-02-09 Diving into the Gospel of John displays the rich and diverse arguments John presents for his thesis that Jesus is the Messiah the Son of God and that through believing readers listeners will find eternal life John s arguments are developed in four parts The first two chapters develop the author s literary techniques that are often based on ambiguity and his key symbols and concepts the understanding of which are essential to fully appreciate the Gospel Chapters 3 through 6 progressively portray the author s evidence for his thesis in the form of signs testimony of those who encounter Jesus Jesus s self identification and Jesus s relationships to others Chapters 7 and 8 show how the author uses theatrically patterned dialogues and triadic discourses to convey Jesus s identity and mission Finally chapters 9 through 11 provide important hints that the author gives for his thesis Jesus s appeals to time the indirect use of seven as the number of completeness and invocation of parentage in pointing to salvation Through diving into the Gospel readers will discover the richness of John s argument the Jesus he portrays and the God Jesus reveals The book aims to stimulate commitment challenge mind and spirit and encourage further reflection and conversation

Theological Bible Commentary Gail R. O'Day, David L. Petersen, 2009-04-28 Most one volume Bible commentaries focus on standard scholarly issues answering questions such as who wrote the book who was addressed and how is the book structured In contrast this is the first one volume commentary to emphasize theological questions what does each biblical book say about God how does the book describe God and portray God s actions and who is God in these biblical books This volume meets the need for a resource that puts the best of scholarship in conversation with the theological claims of the biblical text

John: The Martyr's Gospel Paul S. Minear, 2003-09-08 This volume makes a contribution to interpretation of this Gospel focusing attention on the Gospel itself as a series of conversations between the early Christian prophet and his immediate audience the charismatic leaders and their followers in the churches of Judea and Jerusalem before the war with Rome A D 66 70 The context of these conversations is one of great danger often of martyrdom which impelled the spirit guided prophet to address to his charismatic colleagues these messages from the risen Lord The book analyzes the central thrust of these messages provoking fresh encounters between modern readers and the ancient author

The Greek Article Ronald D. Peters, 2014-01-02 In *The Greek Article* Ronald D Peters presents a grammar of the Greek article and relative pronoun categorized as items which was formulated using the principles of Systemic Functional Linguistics This categorization stands in contrast to previous grammars which have categorically associated the article with the demonstrative pronoun Thus the present work represents a significant paradigm shift in the study of the Greek article

Unlike previous approaches that have too often yielded internally inconsistent and contradictory rules of usage this approach results in a description of the article's function that is uniform across all occurrences. Simultaneously simple and robust, this grammar promises to pay significant dividends for exegetes and translators of the Greek New Testament. *The Gospels Are Dramas* Ian MacTavish, 2016-06-21. This is a study of the four gospels that goes beyond traditional boundaries. After considering the dramatic structures of sources as diverse as Shakespeare and Star Wars, this book makes the bold suggestion that the gospels were written as dramas and not as strict chronological histories. Consider that the gospel authors had to compete for an audience. If they wanted to gain followers, they had to portray Jesus as a dramatic hero superior to any hero their audience already knew but with virtues that their audience would recognize, admire, and be drawn to. The evidence in the gospels leads to the conclusion that when a gospel was intended for Jews, the author based its structure on the 5 books of the Jewish Law. And when a gospel was intended for gentiles, the author based its structure on the 5 act plays written by the Roman dramatist Seneca. This book also explains why Roman authorities would have looked favorably on the gospels. *Are the Gospels Dramas?* This book says YES. **Mark's Memory Resources and the Controversy Stories (Mark 2:1-3:6)**

Yoon-Man Park, 2010. Drawing on frame theory from cognitive science, this book shows that as a product of oral aural cultures, the Gospel of Mark is basically an background knowledge based story and hence it can be only properly understood by the help of frames which the speaker and audience shared. **NIV® Standard Lesson Commentary® 2025-2026** Standard Publishing, 2025-06-03. Mimesis in the Johannine Literature C. Bennema, 2017-09-21 Mimesis is a fundamental and pervasive human concept but has attracted little attention from Johannine scholarship This is unsurprising since Johannine ethics of which mimesis is a part has only recently become a fruitful area of research Bennema contends that scholars have not yet identified the centre of Johannine ethics admittedly due to the fact that mimesis is not immediately evident in the Johannine text because the usual terminology for mimesis is missing This volume is the first organized study on the concept of mimesis in the Johannine literature The aim of the study is to establish that mimesis is a genuine Johannine concept to explain its particulars and to show that mimesis is integral to Johannine ethics Bennema argues that Johannine mimesis is a cognitive creative process that shapes the believer's identity and behaviour within the context of the divine family Besides being instrumental in people's moral transformation mimesis is also a vital mechanism for mediating the divine reality to people

Finding the Synoptic Gospels' Construction Process Hojoon Ahn, 2024-06-11 This study critically examines the current state of Synoptic Gospel studies particularly many scholars' reliance on the Literary Dependence Hypothesis and endeavors to advance a more balanced approach The author attempts to deduce the Synoptic Gospels construction process by meticulously examining the Eucharist and its co-text within these Gospels by employing a model of Mode Register Analysis based on Systemic Functional Linguistics This study uncovers the probability that each designated text in the Synoptic

Gospels was constructed based on oral Gospel tradition's under the influence of each constructor's identity

Patterns of Persuasion in the Gospels Burton L. Mack, Vernon K.
