GRE Verbal Home Study ,1990 Vocabulary review list Word root list **GRE Words in Context** Vibrant

Publishers,2014-09-25 What s in this Book This book contains a Word List unlike any you have seen before A traditional word list offers a vocabulary word its dictionary definition and a SINGLE use of the word in a sentence That is simply not enough for a fully functional understanding of a word in all its complexities Our Word List takes each vocabulary word through its paces denoting its part of speech synonyms for its various contexts its descriptive meaning and most importantly THREE 3 to FIVE 5 sentences using the word in its varied contexts When appropriate those varied contexts include both literal and figurative uses of the word How will our Word List Help You Prepare for the GRE r Performing well on the GRE r General Test especially its Verbal Reasoning section requires a strong working knowledge of the vocabulary that appears in the questions how those words function both literally and figuratively how their meanings vary based on context and how in many cases they operate as more than one part of speech The following is an example of a question type the GRE r refers to as Sentence Equivalence The test taker is instructed to select two 2 answer choices that when used to complete the sentence fit the meaning of the sentence as a whole and produce completed sentences that are alike in meaning 1 The angry delegates no longer debated the matter with equipoise and the _____ that ensued prevented any further rational or intelligent discourse A finesse B pandemonium C pragmatist D appellation E maelstrom F liaison To perform well on this test question the test taker must look beyond the more traditional use i e dictionary definitions of the vocabulary it contains The dictionary definition of the word equipoise for instance is not particularly helpful The state of equilibrium here is not physical e g a gymnast in equipoise Instead the word is being applied figuratively to a debate or discussion in which the arguments are not in equilibrium in other words are not being discussed in an equal and fair manner By combining the figurative use of

equipoise with the clues that the delegates are angry and the debate is no longer rational or intelligent one can conclude the discussion has broken down into mayhem or confusion The two 2 correct answers signify such a situation They are pandemonium wild chaos or disorder and maelstrom a violent whirlpool or figuratively a tumultuous situation Using All Three 3 of our Word Lists Can Put Your Preparation on the Fast Track We offer three 3 Word Lists to help you prepare for the GRE r List 1 this list List 2 and a Challenging list It is important to remember that your goal is to be fully conversant in as many of these vocabulary words as possible Why You must not only recognize and comprehend the words when you encounter them in GRE r test questions but you must also utilize sophisticated vocabulary to express your own ideas in the Analytical Writing section of the test It is to your advantage therefore to have as many high level vocabulary words as possible at your disposal How Can our Word Lists Help You Beyond the GRE r The goal of entrance exams like the GRE r is to anticipate the test taker s likelihood of success in the field into which they seek entry Thus the long view of mastering sophisticated vocabulary is that doing so will not only help you prepare for the GRE r but will simultaneously prepare you for what lies ahead comprehending analyzing and evaluating graduate level materials and writing with the complexity and sophistication expected of a graduate level student To put it simply a fully functioning high level vocabulary is the key to success in your graduate experience Prepare for success NOW *GRE Word List* Franklin System,2013-09-09 This is OLD version Get new edition here <https://www.amazon.com/dp/1986551296> Or download all 19 CDs with the Amazon book Franklin GRE Audio MP3 Vocabulary Builder Download 19 CDs with 3861 GRE Words For High GRE Verbal Score Here is the link to the new edition on Amazon <https://www.amazon.com/dp/1986551083> For any question please email FranklinVocab@gmail.com **GRE Words In Context** Vibrant Publishers,2020-10 GRE Words In Context The Complete List contains a Word List unlike any you have seen before **GRE Flashcards + APP** Kaplan,2014-07-01 New Includes access to our iOS and Android apps so you can study in print or on your mobile device Strong vocabulary skills are necessary to achieve a high score on the Verbal Reasoning section of the GRE Use our print flashcards and our iOS and Android flashcard apps to get the results you want and score higher on Test Day Flashcards feature 500 frequently tested challenging words perfect for on the go prep Synonyms and a pronunciation key for each word Meaning in context each word is used in a sentence to promote mastery and retention GRE Vocabulary Flashcards App helps students improve their Verbal Reasoning score guaranteed Kaplan s Higher Score guarantee provides a commitment that no other test preparation resources on the market can match GRE Vocabulary Flashcards App is a must have preparation tool for every student looking to score higher *GRE Vocabulary Flashcards* Kaplan,2004-12 *GRE Word List 3861 Words* Franklin Vocab System,2020-04-07 New 2020 Edition This new GRE Prep Book contains all the 3861 GRE words meanings and for most words memorable sentence fragments You also download CD 1 of the 19 CDs If you re really planning on nailing the vocab part of GRE then this comprehensive GRE Word List of 3 861 words will dramatically boost your GRE Verbal score Listening to vocab is an easy and effortless way to memorize and it

sticks Best for You If you are an American student who is not strong in vocabulary If you are a foreigner and English is not your first language Why is vocabulary so very important on the GRE test Even though there are no vocabulary questions on GRE a good command of vocabulary is crucial for a high GRE score Why Because without a good college level vocabulary it is hard to understand the passages and answer questions If you ve taken a few GRE practice tests and your score was low because you didn t know certain words at all making it quite difficult for you to discern the correct answer then any improvement in the vocabulary would dramatically help boost your GRE score So if you can memorize the high frequency GRE words which others find difficult it can help you get a high GRE score Content The words are given in bold for example the words belabor and buttress below The meaning is given after the equal sign following a word The words are not necessarily in alphabetical order USE gives a sentence fragment carefully chosen for memory When no sentence fragment is given a is shown as in the word buttress below belabor to assail verbally to insist repeatedly or harp on USE belabor a point buttress support USE Makes a Great Gift for Students Many parents and grandparents give it as a gift **Conquering Vocab** Novall Khan,2009-06 Conquering Vocab utilizes research in the cognitive sciences to provide the GRE test taker with the most efficient and effective way to learn vocabulary This method involves reading hundreds of vocabulary words in absurd but humorous contexts within one dozen short stories Each short story provides brief easy to understand definitions corresponding to every targeted GRE word bolded within the story Conquering Vocab is unlike any other GRE book in that memorization and allotting a significant amount of time to study is simply not necessary
