The Kodansha Kanji Learner's Dictionary Jack Halpern, 2022-03-22 A revised expanded edition of the best selling Japanese English character dictionary now with all the current J y and Jinmei Kanji With The Kodansha Kanji Learner s Dictionary Revised and Expanded learners finally have at their fingertips accurate and in depth information on all the kanji prescribed by the Japanese government In all 3 002 characters 772 more than in the first edition fill its pages making it the most comprehensive and up to date dictionary of its kind The main goal of the dictionary is to give the learner instant access to a wealth of useful information on kanji including their meanings readings stroke order and usage in compounds Compounds pose a special problem for learners Normally one must memorize them as unrelated units A unique feature of this dictionary that overcomes this difficulty is the core meaning a concise keyword that defines the dominant sense of each kanji followed by character meanings or specific senses the kanji can have when used in the living language Together these features help learners understand the logic behind compound formation Another unique feature is the System of Kanji Indexing by Patterns SKIP a revolutionary indexing system that has gained widespread popularity because it enables the user to locate characters as quickly and as accurately as in alphabetical dictionaries With SKIP all one needs to do to find a kanji is identify the geometrical pattern to which it belongs then count the strokes in each part of that pattern a much speedier process than searching by traditional methods In 2020 the government expanded the Educational Kanji list from 1006 to 1026 characters to cover the characters used in all Japanese prefecture names This edition includes these revisions along with illustrative compounds words These features and many more make this dictionary the most powerful kanji learning tool ever devised

The Kodansha Kanji Learner's Dictionary Jack Halpern, 2012 The Kodansha Kanji Learner s Dictionary answers the urgent need for an easy to use kanji dictionary compact enough to be easily carried around yet detailed enough to satisfy the practical needs of the beginning and intermediate learner Its basic goal is to give the learner a thorough understanding of kanji by providing instant access to a wealth of useful information on the meanings readings and compounds Normally the learner must memorize numerous compounds as unrelated units A unique feature of this dictionary that overcomes this difficulty is the core meaning a concise keyword that defines the dominant sense of each character followed by detailed character meanings and numerous compounds that clearly show how thousands of building blocks are combined to form countless compound words Another unique feature is the System of Kanji Indexing by Patterns SKIP an indexing system that enables the user to locate characters as quickly and as accurately as in alphabetical dictionaries Modern linguistic theory has been effectively integrated with sophisticated information technology to produce the most useful kanji learner s dictionary ever compiled For the first time learners have at their fingertips a wealth of information that is linguistically accurate easy to use and carefully adapted to their practical needs

FEATURES o 2 230 entry characters including all the kanji in the Joyo and Jinmei Kanji lists o 41 000 senses for 31 300 words and word elements show how each

character contributes to the meanings of compounds o 1 200 homophones with core meanings explain differences between closely related characters o 386 variant forms used in prewar literature and in names o 1 945 stroke order diagrams show you how to write each kanji stroke by stroke o 7 200 character readings including name readings o Over 2 000 cross references and five appendixes give instant access to a mass of useful reference data *The Kodansha Kanji learner's dictionary* Jack Halpern,2013 **The Kodansha Kanji Synonyms Guide** Jack Halpern,2018-02-06 A groundbreaking bilingual kanji thesaurus that provides intermediate and advanced level users with complete precise guidance on the distinctions between characters of similar meanings The Kodansha Kanji Synonyms Guide is the first ever reference work to group together kanji characters that are related in meaning but different in detail Arranged alphabetically by concept these groupings let users focus on the often subtle differences and similarities between them Like The Kodansha Kanji Learner's Dictionary and all of Jack Halpern's previous publications The Kodansha Kanji Synonyms Guide is an innovative authoritative and impeccably prepared resource that helps Japanese language learners deepen their knowledge of written Japanese and provides educators scholars writers and translators with an invaluable reference tool *The Kodansha Kanji Usage Guide* Jack Halpern,2015-03-20 Kun homophones native Japanese words that are pronounced alike but are written with different kanji and often differ in meaning pose a particular challenge to students at the intermediate level Words like noboru or kaeru for example can be written with several different kanji each contributing a distinct shade of meaning The often subtle nuances conveyed by kanji confuse even Japanese people and very few dictionaries provide good guidance on kanji usage The Kodansha Kanji Usage Guide is a new type of reference work that enables learners to deepen their understanding of how kun homophones are used in contemporary Japanese The first Japanese English resource devoted exclusively to kun homophones the book presents detailed usage articles that show the differences and similarities for 675 homophone groups or 1590 kanji headings the vast majority of single character kun homophones in current use With headwords arranged in Japanese a i ue o order and thousands of illustrative examples of kanji in context the Usage Guide is at once a dictionary and a manual an all around resource for clarity on kanji used in kun homophones Armed with this unique guide learners will discover in kanji new meanings they never knew existed and learn to write Japanese more articulately than ever before *KANJI LEARNER'S DICTIONARY* Jack Halpern,1999 *The Kanji Learner's Course Green Book* Andrew Conning,2016-09-30 The Kanji Learner's Course Green Book offers the most convenient way to practice the writing of all 2 300 kanji in the widely praised Kodansha Kanji Learner's Course Even today when most learners are focused on learning to read kanji rather than to write them handwriting practice remains essential Integrating hand eye coordination with the kinesthetic experience of each kanji's stroke sequence handwriting improves your ability to recognize each kanji grasp intuitively how it is put together and distinguish it from lookalikes Designed to help you use your study time most efficiently this simple little workbook contains just the right quantity of writing spaces four large spaces followed by seven small spaces to give you enough practice for

each character It also offers you Convenience Following the Course sequence entry by entry the Green Book makes it easy for you to structure the right amount of handwriting practice into your study routine experience a sense of creative accomplishment and exploit the Course s full value A broad overview of groups of related kanji Displaying forty kanji per spread it also allows you to survey the Course s graphically related groupings consider the similarities and differences among nearby characters and fully absorb how each kanji s unique features and composition relate to its meaning A good solution for mastering stroke order Each entry contains both a guide character and tracing characters but deliberately excludes stroke order to allow you to develop an independent mastery of kanji composition The main Course book provides stroke order diagrams for when you need them but this will not be very often provided you follow the Course s graphically cumulative sequence and practice writing every kanji as you go Guidance for mastering proper stroke forms Both the guide characters and the practice squares are cross hatched to help you achieve precise form Savings Standard genk y shi manuscript paper typically costs around US 7 12 online The Green Book is priced toward the bottom of this range while offering unique convenience for users of the Kanji Learner s Course Kodansha's Romanized Japanese-English Dictionary Timothy J. Vance, 1993-01 A major advance over other romanized dictionaries in both breadth of coverage and sophistication of usage this work is an invaluable tool for students of Japanese at the introductory to intermediate level Includes 8 000 word basic vocabulary entries written in English and in Japanese characters examples and sample sentences
