21st Century Innovation in Music Education Kun Setyaning Astuti, Gary McPherson, Bambang Sugeng, Nila Kurniasari, Tutut Herawan, Christopher Drake, Ashadi, Endah Retnowati, Adi Cilik Pierewan, 2019-11-27 Music is an expression of feelings of the soul conveyed through the medium of sound But not all sounds are music It might be said that only an organised sound or series of sounds can be called music Thus music is connected to the eternal and constant flow and order of the universe to the laws and rhythms of nature It can also be said that musical order is comparable to the natural order of the universe There are laws of a certain nature in the natural sciences and likewise in music there are structures and procedures or even rules that should be followed to produce beautiful music The International Conference Innovations for 21st Century Music Education and Research provided a timely opportunity to take stock of the latest developments in music education and brought together educators researchers and members of the broader community in a welcoming forum in which they were able to express theoretical and practical views concepts research results and principles to help support the further development of music education

A Concise History of the Classic Guitar Graham Wade, 2010-10-07 A Concise History of the Classic Guitar by Graham Wade one of the foremost international writers on the guitar explores the history of the instrument from the 16th century to the present day This compact assessment of five centuries of fretted instruments cover the vihuela in Spain the history of four course and five course guitars the evolution of tablature and developments in the six string guitar in the 19th century the work also charts the contribution of leading composers performers and luthiers of the 20th century and evaluates the influence of Segovia Llobet Pujol Presti Bream Williams etc among the world s famous guitarists This book intended for the general public and guitar students of all ages is the first interpretative history of the classic guitar to be published in the 21st century and will be eagerly welcomed by all lovers of the instrument InTune, 1996 *Schwann Opus*, 2001

Handbook of Guitar and Lute Composers Hannu Annala, Heiki Matlik, 2010-10-07 In compiling this landmark sourcebook Finnish guitarists Hannu Annala and Heiki Matlik consulted more than 70 music texts as well as dozens of composer resumes acquired from the musical information centers of several countries During the writing process which lasted for more than three years they received additional information from many modern composers including Leo Brouwer and Reginald Smith Brindle among others In addition several internationally renowned performing guitarists provided valuable information these include Magnus Andersson Sweden Remi Boucher Canada Margarita Escarpa Spain Aleksander Frauchi Russia and David Tanenbaum USA among others The authors aim was to write a well structured book with separate chapters for each instrument such as the Renaissance and Baroque guitar the Renaissance and Baroque lute the vihuela etc This unique structure enables the reader to easily discover which composers wrote for a certain instrument during any given period In addition to the composers one would expect to find in such a comprehensive listing the book documents several historical and modern composers for whom little previous information has been available the book s list of

more than 400 guitar and lute concertos dating from the Baroque era to the present day is a totally unprecedented Short introductions regarding guitar and lute like instruments as well as their basic histories are provided at the beginning of the book the authors hope that the Handbook of Guitar and Lute Composers will serve as a practical guide for both amateurs and professionals encouraging further study of the history of these instruments and expanding the repertoire heard on today s concert stage
