Kongens Fald Johannes V Jensen

George C. Schoolfield

Kongens Fald Johannes V Jensen:

The Fall of the King Johannes V. Jensen, 2013-11-30 Taking place during the first half of the sixteenth century *The Fall of the King* tells the story of dreamy slacking student Mikkel Th gersen and the entanglements that ultimately bring him into service as a mercenary under King Christian II of Denmark Moving from the Danish countryside to Stockholm during the execution of Swedish nobility and finally to the imprisonment of Mikkel and Christian the narrative is a lyrical encapsulation of the fall the fall of country history individuals and nature Twice voted as the most important Danish novel of the twentieth century *The Fall of the King* is both an epic depiction of real events and a complex psychological novel Half pure narration half prose poem its scenes of brute realism mixed with rhapsodical passages make it a work of artistic genius **Kongens fald** Johannes Vilhelm Jensen, 1916 **Johannes V. Jensen** K. K. Nicolaisen, 1914 Johannes V. Jensen Otto Gelsted, 1913

Thinking with Kierkegaard Arne Grøn, 2022-12-31 Arne Grøn's reading of Søren Kierkegaard's authorship revolves around existential challenges of human identity The 35 essays that constitute this book are written over three decades and are characterized by combining careful attention to the augmentative detail of Kierkegaard's text with a constant focus on issues in contemporary philosophy Contrary to many approaches to Kierkegaard's authorship Grøn does not read Kierkegaard in opposition to Hegel The work of the Danish thinker is read as a critical development of Hegelian phenomenology with particular attention to existential aspects of human experience Anxiety and despair are the primary existential phenomena that Kierkegaard examines throughout his authorship and Grøn uses these negative phenomena to argue for the basically ethical aim of Kierkegaard's work In Grøn's reading Kierkegaard conceives human selfhood not merely as relational but also a process of becoming the self that one is through the otherness of self experience that is the body the world other people and God This book should be of interest to philosophers theologians literary studies scholars and anyone with an interest not only in Kierkegaard but also in human identity **Scandinivism: Overlapping and Competing Identities in the Nordic**

World, 1770-1919 Tim van Gerven, 2022-01-21 Winner of the 2022 Nordic History Book Award Despite its failure as a political mobilizer Scandinivism as a cultural movement would have a great impact on national consciousness raising in Denmark Norway and Sweden by stressing common ethnolinguistic mythological and historical roots This cultural vision is traced in the Long 19th Century specifically in its interactions and overlaps with the various nationally specific manifestations of cultural nationalism Through an in depth analysis of an extensive corpus of cultural products ranging from novels and poetry to public commemorations painting and street name signs this book demonstrates that cultural Scandinivism was successful in forging a common pan Scandinavian identity that supplemented and strengthened national identity formation in the three nationalities it aimed to unify See inside the book **A Baedeker of Decadence** George C. Schoolfield, 2003-01-01 During the final decades of the nineteenth century a common mind set emerged among many intellectuals la decadence Many novels and novellas of the period were populated with protagonists who were fragile refined

self absorbed and preoccupied with a trivially exquisite aesthetic A Baedeker of Decadence presents thirty two international works of literary decadence written between 1884 and 1927 George C Schoolfield a world authority on the decadent novel offers an entertaining and wide ranging commentary on this highly significant literary and cultural phenomenon Schoolfield tracks down the symptoms of decadence in narrative works written in more than a dozen languages providing synopses and passages in English translation to give a sense of each author s style and tone Schoolfield throws new light on the close intellectual kinship of authors from August Strindberg to Bram Stoker to Thomas Mann and on the ingredients themes motifs and preconceptions that characterized decadent literature *Carl Nielsen and the Idea of Modernism* Daniel M.

Grimley,2010 Beryl Foster s authoritative study can claim to be the most thorough investigation of this repertoire yet to have appeared in English and is likely to remain the standard work on the subject for many years to come TLS **bd. Kongens**

fald. 2. opl Johannes Vilhelm Jensen,1916 Historical Dictionary of Scandinavian Literature and Theater Jan

Sjåvik,2006-04-19 The literature of Scandinavia is amazingly rich and varied consisting of the works produced by the countries of Denmark Norway Sweden Finland and Iceland and stretching from the ancient Norse Sagas to the present day While much of it is unknown outside of the region some has gained worldwide popularity including the fairy tales of Hans Christian Andersen the stories of Isak Dinesen and the plays of Henrik Ibsen and August Strindberg While obviously including the area s most famous works the Historical Dictionary of Scandinavian Literature and Theater also provides information on lesser known authors and currents trends literary circles and journals and historical background This is accomplished through a list of acronyms a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries which together make this reference the most comprehensive and up to date work of its kind related to Scandinavian literature and theater available anywhere **Scandinavica** Elias Bredsdorff,2002 **A History of**

Danish Literature Sven Hakon Rossel,1992-01-01 Volume 1 *Nordic Literature of Decadence* Pirjo Lyytikäinen,Riikka

Rossi,Viola Parente-Čapková,Mirjam Hinrikus,2019-07-11 Nordic Literature of Decadence fills a gap on the map of world literature and participates in a thriving area of research by extending the investigation of broadly understood fin de si cle decadence to unexplored areas of Nordic literature which remain practically unknown to Anglophone audiences In the Nordic countries the new Parisian movements were seen as having caused a malicious invasion a black flood that was spreading over the North destroying the very foundations of Nordic national cultures Nevertheless the appeal of this controversial movement was irresistible to discontents and innovators even in countries where the old moral religious and nationalist atmosphere still retained its stranglehold and modern urban industrial and social developments lagged behind that of the metropolises breeding this new literature and art The Nordic countries developed their own distinctive manifestations of decadence favouring allegorical and allusive forms local rural settings and depictions of primitive nature coupling the philosophical underpinnings of fin de si cle decadence with ancient Nordic mythology and rising national

movements Nordic decadence thus became a distinctive and recognizable phenomenon which travelled back to France and other European countries influencing the ongoing debate on decadence as it was conducted on a global scale Nordic Literature of Decadence discusses literature from five Nordic countries Denmark Norway Sweden Finland and Estonia and offers additional and alternative perspectives to the cosmopolitan traffic and cultural exchanges of literary decadence that have been explored so far in the English language scholarship **Letters of Blood and Other Works in English** Göran Printz-Påhlson, 2011 This collection brings together for the first time select works in English by the major Swedish modernist poet and critic Goran Printz Pahlson It was Printz Pahlson who introduced poetic modernism to Scandinavia and his essays and poems delve deeply into English American and continental modernist traditions As well as Letters of Blood the collection includes the full text of The Words of the Tribe a major statement on modern poetics in which Printz Pahlson explores the significance of primitivism in Romanticism and Modernism and the nature of metaphor and literary materialism The collection also includes essays on style irony realism and the relationship between historical drama and historical fiction as well as studies of American poetry Printz Pahlson s poetry in English continues to explore these themes by different often surprisingly innovative means Minor edits to this book have been made in May 2016 **Skatte** Kongelige Bibliotek (Denmark), 2003 Based on the exhibition Treasures in the Royal Library staged in the Diamond from autumn 2003 Page 3

Exploring NORDIC COOL in Literary History Gunilla Hermansson, Jens Lohfert Jørgensen, 2020-11-15 How did Nordic culture become associated with the fuzzy brand cool as by default In *Exploring NORDIC COOL in Literary History* twenty one scholars in collaboration question the seemingly natural fit between Nordic and Cool by investigating its variegated trajectories through literary history from medieval legends to digital poetry At the same time the elasticity and polysemy of the word cool become a means to explore Nordic literary history afresh It opens up a rich diversity of theoretical and methodological approaches within a regional framework and reveals hitherto unseen links between familiar and less familiar tracks and sites Following diverse paths of Nordic cool in respect to among other things nature survival love whiteness style economics heroism and colonialism this book challenges all too recognisable narratives and underlines the sheer knowledge potential of literary historical research **Carl Nielsen** Michael Fjeldsøe, Katarina Smitt Engberg, Bjarke Moe, 2025-03-14 Carl Nielsen 1865 1931 occupies a prominent place among the European modern composers of the early twentieth century representing the generation of Richard Strauss Ferruccio Busoni Jean Sibelius and Gustav Mahler and his music is performed throughout the world Carl Nielsen A Cultural Biography is the first thoroughly researched and comprehensive biography of Nielsen available to international readers and scholars Nielsen participated in the lively cultural circles of late nineteenth century Copenhagen at a time when Scandinavian writers were in vogue throughout Europe He travelled extensively during his life but maintained strong ties with his cultural heritage His prolific output includes works in all genres from advanced symphonies to beloved popular songs Danish Literature as World Literature Mads Rosendahl Thomsen, Dan

Ringgaard,2017-02-09 Despite being a minor language Danish literature is one of the world s most actively translated and the Scandinavian country is the home of a number of significant writers Hans Christian Andersen remains one of the most translated authors in the world philosopher S ren Kierkegaard inspired modern Existentialism Karen Blixen chronicled her life in colonial Kenya as well as writing imaginary cosmopolitan tales and the writers among the circles of literary critic Georg Brandes in the late 19th century were especially important to the further development of European Modernism Danish Literature as World Literature introduces key figures from 800 years of Danish literature and their impact on world literature It includes chapters devoted to post 1945 literature on beat and systemic poetry as well as the Scandinavia noir vogue that includes both crime fiction and cinema and is enjoying worldwide popularity **bd. Kongens fald** Johannes Vilhelm Jensen,1916 *The Spirit of Vitalism* Gertrud Hvidberg-Hansen, Gertrud Oelsner,2011 This richly illustrated book outlines the strong Vitalistic movement in Denmark during the period 1890 1940 This movement emerged as a response to the rationalism and one sided intellectualism of a rigid bourgeois or decadent culture of the 19th century It constituted a number of cultural currents that were manifested in philosophy art and everyday life with an emphasis on the energy of youth the dynamic personality and the potential of the body Viewed in the wider perspective the aim of Vitalism s cult of the body was a revitalization that was to benefit not only the individual human being but the whole of culture Although the Vitalistic themes emanated from modern life they also drew artistic sustenance from Nordic mythology and Greek antiquity which served as the most important ideals in the modern pursuit of both physical and spiritual beauty Additionally the book highlights the prevalence of the interest in health and exercise and an increased attentiveness to hyg
