

Meditation	43
• What is the purpose of meditation?	45
• In what way does meditation help an aspirant on the path of spiritual unfolding?.....	45
• Sometimes, when meditating, I see a snake moving up in my body or ants crawling all over my body. What does this mean?	46
• Even after I get up from meditation, my body keeps vibrating for almost an hour. What is happening?	48
• While meditating, at times my body is still and my head moves in a number eight pattern. The movement is horizontal. What does this symbolise or mean?	49
• When you give the omkara to indicate the end of meditation, I can't open my eyes. If I force myself out of meditation I feel uncomfortable and because the energy is high, I can't sleep.....	51
• I saw Kali very clearly in my meditation. Is that how gods reveal themselves or is it pure imagination?.....	52
• When I sit for meditation many strange sounds come out of my mouth. I am aware of it happening but am unable to control them. What are these sounds?	53
<i>Chakras: The Energy Transformers</i>	55
• During satsang with a master of meditation, there was a constant flow of tears. There was no sadness but the tears would not stop. Please tell me why this happens.	58
• As soon as I sit for meditation, there is a constant flow of thoughts. When will the thoughts stop?	59
• When I sit for meditation, sometimes for days there is a great deal of spinning and movement of energy, whereas there are days when there are only thoughts. Then days follow when there is just boredom. Kindly explain.	63
• Sometimes after getting into a meditative state, I am not able to get out of it. Why is that and how can one regulate the process?.....	65
• At times I feel extremely energised. I feel as if my body will just go and hit the ceiling. In meditation, I felt as if I have hit the ceiling and my head has exploded like a volcano and hot, golden lava is flowing out of it from all sides. I saw this happening to me in meditation but my physical body was still.	66
