The Death Penalty in Late-Medieval Catalonia Flocel Sabaté,2019-09-03 The death penalty was unusual in medieval Europe until the twelfth century From that moment on it became a key instrument of rule in European society and we can study it in the case of Catalonia through its rich and varied unpublished documentation The death penalty was justified by Roman Law accepted by Theology and Philosophy for the Common Good and used by rulers as an instrument for social intimidation The application of the death penalty followed a regular trial and the status of the individual dictated the method of execution reserving the fire for the worst crimes as the Inquisition applied against the so called heretics The executions were public and the authorities and the people shared the common goal of restoring the will of God which had been broken by the executed person The death penalty took an important place in the core of the medieval mind people included executions in the jokes and popular narratives while the gallows filled the landscape fitting the jurisdictional limits and also showing rotten corpses to assert that the best way to rule and order the society is by terror This book utilises previously unpublished archival sources to present a unique study on the death penalty in late Medieval Europe

L Esclau Del Mercadal: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. L Esclau Del Mercadal : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. L Esclau Del Mercadal : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. L Esclau Del Mercadal : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
