ABC of Men's Fashion Hardy Amies, 2007-11 For all men and indeed all women who are interested in men's clothes here is an alphabetical guide to men's fashion written with wit and expert knowledge

Clothes Make the Man John White, 2018-02-11 Dressing for success in business and life is described and shown with 300 plus color photos no matter what type of organization you work for Traditional Business Casual or Casual dress and includes materials colors fit style and tailoring principles that apply to every outfit you ever wear White begins with suits dress shirts and ties as well as blazers sports jackets That is followed by casual attire for companies that dress in jeans t shirts casual pants polo shirts shorts and sneakers He includes outerwear and winter coats The book begins with how to be well dressed for a job interview because first you have to look like someone they want to hire then how to dress every day so you always look promotable even while working on weekends holidays and casual Fridays including the notorious Christmas party He gives three simple rules to follow that make it easy to dress for success at work and in our social lives To appeal to women he explains everything from suits to swim trunks again with hundreds of photos to show you how to look great at wedding receptions or on a pizza and beer date This is the only book you'll ever need to look successful and great at work and play

Dressing the Man Alan Flusser, 2002-10-01 Dressing the Man is the definitive guide to what men need to know in order to dress well and look stylish without becoming fashion victims Alan Flusser's name is synonymous with taste and style With his new book he combines his encyclopedic knowledge of men's clothes with his signature wit and elegance to address the fundamental paradox of modern men's fashion Why after men today have spent more money on clothes than in any other period of history are there fewer well dressed men than at any time ever before According to Flusser dressing well is not all that difficult the real challenge lies in being able to acquire the right personalized instruction Dressing well pivots on two pillars proportion and color Flusser believes that Permanent Fashionability both his promise and goal for the reader starts by being accountable to a personal set of physical trademarks and not to any kind of random seasonally served up collection of fashion flashes Unlike fashion which is obliged to change

each season the face's shape the neck's height the shoulder's width the arm's length the torso's structure and the foot's size remain fairly constant over time Once a man learns how to adapt the fundamentals of permanent fashion to his physique and complexion he's halfway home Taking the reader through each major clothing classification step by step this user friendly guide helps you apply your own specifics to a series of dressing options from business casual and formalwear to pattern on pattern coordination or how to choose the most flattering clothing silhouette for your body type and shirt collar for your face A man's physical traits represent his individual road map and the quickest route toward forging an enduring style of dress is through exposure to the legendary practitioners of this rare masculine art Flusser has assembled the largest and most diverse collection of stylishly mantled men ever found in one book Many never before seen vintage photographs from the era of Cary Grant Tyrone Power and Fred Astaire are employed to help illustrate the range and diversity of authentic men's fashion Dressing the Man's sheer magnitude of options will enable the reader to expand both the grammar and verbiage of his permanent fashion vocabulary For those men hoping to find sartorial fulfillment somewhere down the road tethering their journey to the mind set of permanent fashion will deliver them earlier rather than later in life
