Disney Greats Violin:

The Great People of Our Time Dean Gualco, 2014-10-28 We read about the great people of our time to find their inspiration for a life of risk and uncertainty how they overcame the challenges of their life and why they never gave up no matter the adversity or criticism encountered We study great people because we want to learn from their stories their hardships and their triumphs We converse with great people because we want to be inspired to achieve greatness in our own lives a fact that is certainly within our grasp Greatness in contrast to what some believe is not a circumstance a person is born into Most are not born to be multimillionaires any more than others are born to be the best tennis players of their generation Those who become great are among the chosen few not solely because of their birthright or talent but because of their passion and fearlessness Great people have certain traits and characteristics that make them unique but these traits are common to most men and women In studying the great people of our time the most striking revelations were the similarities in their paths to greatness Those who become great did so because they followed their passions overcame formidable obstacles went down swinging for what they believed in and left a legacy of honor decency and goodness These are the defining characteristics of the great people of our time a remarkable story of those who led purposeful and meaningful lives that fulfilled their destiny and made the world a better place to live

Walt Disney, from Reader to Storyteller Kathy Merlock Jackson, Mark I. West, 2014-12-12 Walt Disney best known as a filmmaker had perhaps a greater skill as a reader While many would have regarded Felix Salten's Bambi and Carlo Collodi's Pinocchio as too somber for family oriented films he saw their possibilities He appealed to his audience by selecting but then transforming familiar stories Many of the tales he chose to adapt to film became some of the most read

books in America Although much published research has addressed his adaptation process often criticizing his films for being too saccharine or not true to their literary sources little has been written on him as a reader what he read what he liked his reading experiences and the books that influenced him This collection of 15 fresh essays and one classic addresses Disney as a reader and shows how his responses to literature fueled his success Essays discuss the books he read the ones he adapted to film and the ways in which he demonstrated his narrative ability Exploring his literary connections to films nature documentaries theme park creations and overall creative vision the contributors provide insight into Walt Disney s relationships with authors his animation staff and his audience

Nigel Kennedy Uncensored! Nigel Kennedy,2021-12-02 Nigel Kennedy changed the course of classical music in the late 1980s with his interpretation of Vivaldi s Four Seasons He was revolutionary in his performance and presentation in his technique and his open minded attitude A

natural boundary pusher and musical adventurer Nigel Kennedy blew minds and sales records as he became the best selling violinist of all time Instead of an Introduction Nigel opens with a tongue in cheek Warning readers should beware of his politically incorrect writing style and his frank take on the BBC record companies the Bavarian Police and any other self appointed wielders of power It sets the tone for a truly original memoir that is as playful unconventional and carefully executed as his music The book is structured like a musical performance with Interludes Outros and an Encore separating the regular chapters which cover Nigel s life story from his humble beginnings and scholarship to the newly created Yehudi Menuhin School and then New York at The Juilliard School to his flourishing career and break through as a world class superstar Interludes cover subjects varying from Nigel s best and worst gigs It might seem strange that shit gigs stick in the mind so much more than the good ones but I suppose it makes sense to run ins with rock stars and Police forces around the world His anecdote on the London Metropolitan Police s handling of a noise complaint at an after show all star jam is particularly funny These guys the Met were cheerful they dealt with the situation and didn t escalate the problem when there wasn t one 10 10 Outros cover Nigel s thoughts on classical music today fascinating reading from the perspective of a virtuoso to Brexit where the spelling of the word alone leaves the reader in little doubt as to which side of the fence the author sits Encores is a comprehensive section on Nigel s recorded output covering his early classical work the Four Seasons and later albums There are insights into his work with rock musicians including Robert Plant the late drummer Michael Lee Killing Joke singer Jaz Coleman and producers Eddie Kramer Jimmy Hendrix and John Leckie Stone Roses Nigel s writing on Gershwin Yehudi Menuhin Stephan Grappelli my biggest inspiration Jimi Hendrix and the Doors is compelling Nigel writes of his interests outside music boxing and football which provide inspiration and balance to his creative output on Aston Villa a true blessing for me to have an outlet in which I was surrounded by normal honest hard working people who did proper jobs There is a splendid chapter on Kitchen Golf a not without risk variation of the game conjured up with close friend and mischief maker Gary Lineker during a messy late night kitchen session My whole life has been spent breaking down barriers between people and this book is proof of that states Nigel in his Warning It s a Mission Statement borne out in Uncensored with aplomb
