Sansom has garnered a wider audience and increased critical praise with each new novel published. His first book in the Matthew Shardlake series *Dissolution* was selected by P. D. James in *The Wall Street Journal* as one of her top five all time favorite books. Now in *Sovereign* Shardlake faces the most terrifying threat in the age of Tudor England imprisonment in the Tower of London. Shardlake and his loyal assistant Jack Barak find themselves embroiled in royal intrigue when a plot against King Henry VIII is uncovered in York and a dangerous conspirator they've been charged with transporting to London is connected to the death of a local glazer. Lamentation C.J. Sansom, 2015-02-24 As Henry VIII lies on his deathbed an incendiary manuscript threatens to tear his court apart. Summer 1546 King Henry VIII is slowly painfully dying. His Protestant and Catholic councilors are engaged in a final and decisive power struggle whoever wins will control the government. As heretics are hunted across London and radical Protestants are burned at the stake the Catholic party focuses its attack on Henry's sixth wife and Matthew Shardlake's old mentor Queen Catherine Parr. Shardlake still haunted by his narrow escape from death the year before steps into action when the beleaguered and desperate Queen summons him to Whitehall Palace to help her recover a dangerous manuscript. The Queen has authored a confessional book *Lamentation of a Sinner* so radically Protestant that if it came to the King's attention it could bring both her and her sympathizers crashing down. Although the secret book was kept hidden inside a locked chest in the Queen's private chamber it has inexplicably vanished. Only one page has been recovered clutched in the hand of a murdered London printer. Shardlake's investigations take him on a trail that begins among the backstreet printshops of London but leads him and his trusty assistant Jack Barak into the dark and labyrinthine world of court politics a world Shardlake swore never to enter again. In this crucible of power and ambition Protestant friends can be as dangerous as Catholic enemies and those with shifting allegiances can be the most dangerous of all. **Of Sex**
