postmodernist fiction Through close readings of dozens of literary texts alongside print and television ads from this period Dini shows how U S writers have unearthed the paradoxes inherent to claims of appliances capacity to give back time to their user transport them into a technologically progressive future or return them to some pastoral past In so doing she reveals literary appliances role in raising questions about gender norms and sexuality racial exclusion and erasure class anxieties the ramifications of mechanization the perils and possibilities of conformity the limitations of patriotism and the inevitable fallacy of utopian thinking while both shaping and radically disrupting the literary forms in which they operated Richard Yates David Castronovo, Steven Goldleaf, 1996 Twayne s United States Authors English Authors and World Authors Series present concise critical introductions to great writers and their works Devoted to critical interpretation and discussion of an author s work each study takes account of major literary trends and important scholarly contributions and provides new critical insights with an original point of view An Authors Series volume addresses readers ranging from advanced high school students to university professors The book suggests to the informed reader new ways of considering a writer s work Each volume features A critical interpretive study and explication of the author s works A brief biography of the author An accessible chronology outlining the life the work and relevant historical context Aids for further study complete notes and references a selected annotated bibliography and an index A readable style presented in a manageable length **The Easter Parade** Richard Yates, 2001-05-04 Follows forty years in the lives of two sisters victims of divorced neglectful parents as they develop into different kinds of women *In Love with Hell* William Palmer, 2021-04-22 Sympathetic and wonderfully perceptive a heartbreaking read NICK COHEN Critic Wise witty and empathetic outstanding JIM CRACE A fascinating treatment of the age old problem of writers and drink which displays the same subtle qualities as William Palmer s own undervalued novels D J TAYLOR An enjoyable exploration of an enduringly fascinating subject Palmer is above all a dispassionate critic and is always attentive to and unwaveringly perceptive about the art of his subjects as well as their relationship with alcohol his treatment is even handed and largely without judgement He tries to understand without either condoning or censuring the impulses behind often reprehensible behaviour SOUMYA BHATTACHARYA New Statesman A vastly absorbing and entertaining study of this ever interesting subject ANDREW DAVIES screenwriter and novelist *In Love with Hell* is a fascinating and beautifully written account of the lives of eleven British and American authors whose addiction to alcohol may have been a necessary adjunct to their writing but ruined their lives Palmer s succinct biographies contain fine descriptions of the writers their work and the times they lived in and there are convincing insights into what led so many authors to take to drink PIERS PAUL READ Why do some writers destroy themselves by drinking alcohol Before our health conscious age it would be true to say that many writers drank what we now regard as excessive amounts Graham Greene for instance drank on a daily basis quantities of spirits and wine and beer most doctors would consider as being dangerous to his health But he was rarely out of control and lived with his considerable wits intact to the age of eighty six W H Auden drank

the most of a bottle of spirits a day but also worked hard and steadily every day until his death Even T S Eliot for all his pontifical demeanour was extremely fond of gin and was once observed completely drunk on a London Tube station by a startled friend These were not writers who are generally regarded as alcoholics Alcoholic is in any case a slippery word as exemplified by Dylan Thomas s definition of an alcoholic as someone you dislike who drinks as much as you The word is still controversial and often misunderstood and misapplied What acclaimed novelist and poet William Palmer s book is interested in is the effect that heavy drinking had on writers how they lived with it and were sometimes destroyed by it and how they described the whole private and social world of the drinker in their work He looks at Patrick Hamilton the feverish magic that alcohol can work Jean Rhys As soon as I sober up I start again Charles Jackson Delirium is a disease of the night Malcolm Lowry I love hell I can t wait to go back there Dylan Thomas A womb with a view John Cheever The singing of the bottles in the pantry Flann O Brien A pint of plain is your only man Anthony Burgess Writing is an agony mitigated by drink Kingsley Amis Beer makes you drunk Richard Yates The road to Revolutionary Road and Elizabeth Bishop The writer s writer s writer
