Behind the crystal ball, a tarot card with a pink and black design is visible. In the background, an open book with yellowed pages is spread out.  their craft Taromancy Gerald Boak,2012-03 The 84 oracles were first published in 1985 They were intended for the
 experienced hand at divination and have remained in widespread demand ever since I hope this fully revised edition which
 contains the same oracles but in less technical language will appeal to those only now setting out to explore fortune telling
 After a quarter of a century in use I believe their following justifies this major revision Apart from their plainer style a new
 Summary and in depth Conclusion now accompanies each oracle These replace the earlier and limited Notes and explain
 even the smallest areas of interest Together with extra and helpful background material in the first three chapters I believe
 these sizeable additions will provide a more complete and user friendly tool of divination Finally and on a purely technical
 note the astrological aspects behind the oracles agree with the work of Aleister Crowley in his dictionary of correspondences
 Liber 777 vel Prolegomena Symbolica ad Systemam etc published privately in 1909 and adopted since as a standard work of
 reference Two of those correspondences were amended in his 1944 edition of The Book of Thoth In that book Crowley made
