Me Ishmael John D. Kuhns,2022-02-08 Set in the South Pacific and based on true events this is a novel about war gold interracial friendship and the emergence of a new nation Growing up in Bougainville an island archipelago in the South Pacific Ishmael always wanted to be a soldier The Crisis a brutal civil war with Papua New Guinea ignited by the gargantuan Panguna Mine gives him his chance As the guerrilla leader of the Bougainville Revolutionary Army Ishmael secures a peace agreement that provides his islands with a measure of autonomy and the future right to conduct an independence referendum If the people vote affirmatively Bougainville could become the newest nation on earth In the aftermath of the Crisis Bougainville's corrupt and inept government causes a vacuum From its perch across the Pacific China salivates They covet Bougainville both for its Panguna Mine and its strategic location and are prepared to do whatever it takes to grab it When Ishmael and Bougainville's chiefs ask Jack Davis a pin striped American investor to help rebuild their economy he is intrigued Although primitive Bougainville holds billions in gold and copper and its people seem lovely Jack's life has been comfortable but things are changing His family members have moved on with their lives and his country doesn't seem to value people like him anymore Maybe Bougainville would be different That two men one black and one white from totally different walks of life could meet on a remote island and decide they stand for the same things is a testament to Bougainville and its people and shapes a story that anyone who believes in the innate goodness of humanity should read The fact that it all really happened is truly inspirational **Me, Suzy P**

Road to Antietam Tom E. Hicklin,2018-08-14 In his remarkable work of historical fiction Road to Antietam author Tom E Hicklin brings readers the story of two brothers and the life altering events they experience amidst the harrowing backdrop of the American Civil War Daniel and Christopher Galloway are merely teenagers when they join the Eighth Ohio Volunteer Infantry at the beginning of the Civil War What starts out as a light hearted adventure soon descends into a brutal struggle for survival as they go from training camp to skirmishing with an elusive deadly enemy to full blown battle culminating in the single bloodiest day in American history Along the way both brothers suffer from illness exposure hunger and extreme fear and they soon come to realize that the deadly war they've chosen to fight has less to do with glory and banners and more to do with hardship and depravity In this blisteringly realistic tale centered around actual events it becomes apparent that the overall larger picture does not always reflect the singular human experience This is a story of suffering and hope adversity and compassion This a story of innocence lost and maturity gained This is a story of two brothers whose love for one another carries them through the darkest time of their lives until that fateful bloody day on the banks of the Antietam when they must face their greatest test and everything changes forever The Book of Cthulhu 2 Ross Lockhart,2012-09-25 Last year Night

Legal Friction Gershon Hepner,2010 *Legal Friction* Law Narrative and Identity Politics in Biblical Israel tracks the mystery of narratives in the Hebrew Bible and their allusions to Sinai laws by highlighting intertextual allusions created by verbal resonances While the second and the third parts of the volume illustrate allusions to Sinai narratives made by some narratives occurring in the post Sinaitic era twenty three Genesis narratives are analyzed to show that the protagonists were bound by Sinai Laws before God supposedly gave them to Moses anticipating the Book of Jubilees *Legal Friction* suggests that most of Genesis was composed during or after the Babylonian exile after the codification of most Sinai laws which Genesis protagonists consistently violate The fact that they are not punished for these violations implies to the exiles that the Sinai Covenant was unconditional In addition the author proposes that Genesis contains a hidden polemic encouraging the Judean exiles to follow the revisions of laws of the Covenant Code by the Holiness Code and Deuteronomy Genesis narratives like those describing post Sinai events often cannot be understood properly without recognition of their allusions to biblical laws

Tombs, Despoiled and Haunted Jay Fellows, 1991 Walter Pater poses to criticism the challenge of how to approach a writer who is neither entirely a novelist entirely a critic nor entirely a historian but each by turn This book demonstrates the unity of all Pater's roles through the crucial concept of linguistic consciousness This idea enables the author in a manner unique within contemporary criticism to combine phenomenological and post structural methodologies that is to say attention to details of language as registers of qualities of mind with a more recent linguistic and historical emphasis The result is an attempt to present a full autobiography of the linguistic consciousness of Walter Pater This requires that the author observe Pater from the inside that he trace even replicate the motions of Pater's consciousness the author shows how fragments of language specific images and phrases link up by means of figurative and rhetorical echoes into patterns that reveal a topographic rather than a narrative or conceptual structure as the under texture of Pater's writings
