When Dr. Blake Hunter discovers Casey Edwards wandering along the road in Sweetwater, Georgia, she's a woman without a past, her memory stripped of the terrifying events that shattered her innocence a decade ago. The scrap of paper she clutches in her hand bears the address to Swan House, the magnificent mansion where

Casey's mother lives with her mysteriously ailing husband. Yet home turns out to be anything but a safe haven. Casey is determined to untangle the web of secrets that surround her. The answers lay somewhere within Swan House and its lavish gardens, but someone wants Casey out of the way before she remembers too much. It will take the strength she's always had and the love she's just found to uncover her past and claim her future. Alexis Thorn, once a successful securities broker, spent a hellish year behind bars for a crime she never committed. Now she has her freedom, but she's left with haunting memories of being hauled from her office in handcuffs, of the cell door clanging shut behind her, of her pleas going unheard. Meanwhile, the real criminals, her former employers Roland Sullivan and his lover Arden Gillespie, continue to make millions by conning the innocent, especially preying on the elderly and taking their life savings. Alexis dreams of getting even. The legal system failed her, but the Sisterhood won't. They have a delicious plan that can give Sullivan and Gillespie a taste of their own bitter medicine. Celebration Fern Michaels, 2017-07-25 One woman fights for her family and her heart in this novel of redemption from the #1 New York Times bestselling author of the Sisterhood novels. Fern Michaels, New York Times bestselling author of *Finders Keepers*, dazzles readers once again with the unforgettable story of one woman's life: the betrayal that nearly destroys her, the love that helps her heal, and the struggle to find the truth about herself and the man she thought she knew. An only child who lost both parents during her first year at college, wealthy heiress Kristine Kelly had made her husband her whole world. But she didn't see what everyone else did: that handsome, charismatic Logan Kelly was a manipulator and a user. Then one cold December, Kristine got a chilling wake-up call when Logan vanished along with the eight million dollar trust fund she had naively given him the power to control. Just when Kristine's life was at its lowest point, banker Aaron Dunwoodie offered her passion, a strong shoulder to lean on, and a relationship to believe in. But a woman once fooled is twice wary and very vulnerable. There were still too many questions Kristine needed to answer before she could commit her heart again: what really happened to Logan, what did she truly want for herself, and what would she do if Logan, a dangerous, seductive, and yet irresistible man, walked back into her life. Praise for Fern Michaels: Prose so natural that it seems you are witnessing a story rather than reading about it. Los Angeles Sunday Times. She never disappoints. RT Book Reviews
